

SYSTEM REQUIREMENTS

Because the ABC-CLIO Schools' subscription databases are accessible 24 hours a day, 7 days a week, from school and home, students and staff should be made aware of the necessary requirements, in case trouble arises when using the databases outside of the library.

You will need Internet access with a cookie and JavaScript-enabled browser.

The following versions are supported:

WINDOWS

- Microsoft Internet Explorer 5.0 or later
- Netscape Navigator 7.0 or later

MACINTOSH

- Microsoft Internet Explorer 5.0 or later
- Netscape Navigator 7.0 or later
- Apple Safari 1.0 or later
- Mozilla Firefox 1.0 or later

Additional requirements:

- The **Apple QuickTime** plug-in is required to view video and audio
- The **Macromedia Flash Player 6** plug-in is required to view some interactive sections of the site
- We recommend a 56k modem or faster connection

To locate the requirements, and access all necessary browser and plug-in software downloads select "Technical Notes" from the left-hand navigation menu on the home page.

Note: Upon initial login, please review the technical notes included in the product for any updates that may occur to the system requirements.
