Eight ABC-CLIO Works Chosen by *Choice* as 2017 Outstanding Academic Titles

Santa Barbara, Calif. (January 9, 2018) – Eight ABC-CLIO publications— spanning subject areas as diverse as politics, psychology, veterans issues, American history, the environment, and science and technology—have been recognized by *Choice*, a publishing unit of the Association of College & Research Libraries (ACRL), on its annual Outstanding Academic Titles List for 2017.

Choice defines works on the Outstanding Academic Titles List as “outstanding for their excellence in presentation and scholarship, the significance of their contribution to the field, their originality and value as an essential treatment of their subject, and significance in building undergraduate collections.”

ABC-CLIO’s repeated presence on *Choice*’s Outstanding Academic Titles list is a testament to its leadership in the field of academic publishing. In addition to its recognized excellence in traditional publishing, ABC-CLIO has garnered a host of respected industry awards for its online history database suite, [ABC-CLIO Solutions](#).

The award-winning titles, available for direct purchase at abc-clio.com or through any major distributor, are as follows:
