SINCE 1955, ABC-CLIO, LLC has published award-winning print and digital resources focusing on curriculum, reference, and professional development for teachers and librarians. We proudly support educators and librarians in fostering independent critical thinking, and the exploration and understanding of complex issues.
Think reference reimagined. We did.

All of us at ABC-CLIO are pleased to present this outstanding collection of reference titles. For more than half a century, scholars, educators, and students around the world have relied on the authoritative books published by ABC-CLIO and Greenwood. The works in this catalog represent our ongoing commitment to reimagining reference—its form, scope, and function. To us, reference works must go beyond gathering and presenting information to truly enhance research, promote critical thinking, and meet the needs of a diverse readership. Here are a few ways we’re reimagining reference.

Engaging and Inspiring Audiences
Through the inclusion of compelling details and presentation, our works draw readers deeper into each topic, exciting interest and encouraging critical thought.

Supporting Primary Source Analysis
Beyond simply supplying documents for study, our texts offer supplemental pieces—annotation, context, and more—to promote effective analysis for students and researchers at every level.

Pushing the Envelope
From digital reference centers that uniquely combine aspects of textbooks, encyclopedias, and scholarly journals to print works that tackle emergent areas of study and importance, innovation drives us at every stage of publication.

We'll keep reimagining reference, so you can continue pursuing novel, substantive learning and research.

Vince Burns
Vice President, Editorial, ABC-CLIO, LLC

Women in American History | A Social, Political, and Cultural Encyclopedia and Document Collection

This four-volume set documents the complexity and richness of women’s contributions to American history and culture, empowering all students by demonstrating a more populist approach to the past.

People of Color in the United States | Contemporary Issues in Education, Work, Communities, Health, and Immigration

This four-volume ready-reference work offers critical coverage of contemporary issues that impact people of color in the United States, including education, employment, health, and immigration.

Gun Politics in America | Historical and Modern Documents in Context

Covering the history of firearms and gun control in America, this two-volume work presents original documents and helps readers understand these documents in relation to the social and political context in which they were written.

Why Don’t Americans Vote? | Causes and Consequences

This timely book provides a thought-provoking discussion of issues that influence voter registration and turnout in contemporary America.

Crime and Punishment in America | An Encyclopedia of Trends and Controversies in the Justice System

Covering the most hotly contested topics in crime and criminal justice, this work supplies essential background, current data, and multiple viewpoints on each important issue.
Islam | A Worldwide Encyclopedia
This expansive four-volume encyclopedia presents a broad introduction to Islam that enables learning about the fundamental role of Islam in world history and promotes greater respect for cultural diversity.

Chronic Diseases | An Encyclopedia of Causes, Effects, and Treatments
This comprehensive three-volume work provides an overview of an area of growing concern, offering readers a one-stop resource for researching the chronic conditions that increasingly plague our society.

World War II | The Definitive Encyclopedia and Document Collection
With more than 1,700 cross-referenced entries covering every aspect of World War II, the events and developments of the era, and myriad related subjects as well as a documents volume, this is the most comprehensive reference work available on the war.

Hooray for Hollywood! | A Cultural Encyclopedia of America’s Dream Factory
How has Hollywood—as a place, an industry, a concept, and a myth—affected American culture as a whole? This book addresses this complex question.

Music around the World | A Global Encyclopedia
With entries on topics ranging from non-Western instruments to distinctive rhythms of music of various countries, this one-stop resource on global music also promotes cultural appreciation of other countries and cultural groups.

People of Color in the United States

Contemporary Issues in Education, Work, Communities, Health, and Immigration

4 VOLUMES | KOFI LOMOTEY, PAMELA BRABOY JACKSON, MUNA ADEM, PAULINA X. RUF, VALIRE CARR COPELAND, ALVARO HUERTA, NORMA IGLESIAS-PRIETO, AND DONATHAN L. BROWN, EDITORS

People of color still face obstacles to success to a greater degree than other groups, from health issues like diabetes to employment and earning discrimination.

People of Color in the United States: Contemporary Issues in Education, Work, Communities, Health, and Immigration examines a wide range of issues that affect people of color in American today, covering education, employment, health, and immigration. Edited by experts in the field, this set supplies current information that meets a variety of course standards in four volumes. Volume 1 covers education grades K–12 and higher education; volume 2 addresses employment, housing, family, and community; volume 3 examines health and wellness; and volume 4 covers immigration.

The content will enable students to better understand the experiences of racial and ethnic minorities as well as current social issues and policy. The content is written to be accessible to a wide range of readers and to provide ready-reference content for courses in history, sociology, psychology, geography, and economics, as well as curricula that address immigration, urbanization and industrialization, and contemporary American society.

SAMPLE TOPICS

- Affirmative Action
- Bilingual Education
- Civil Rights
- Ethnic Studies
- Glass Ceiling
- Homelessness
- Indian Colleges and Universities
- LGBTQ
- School to Prison
- Vouchers and Charter Schools

KOFI LOMOTEY is Bardo Distinguished Professor at Western Carolina University.
PAMELA BRABOY JACKSON, PhD, is director of the Center for Research on Race and Ethnicity in Society at Indiana University.
MUNA ADEM is a doctoral student at Indiana University, Bloomington.
PAULINA X. RUF, DPhil, is professor at Seminole State College, Sanford, FL.

The Great American Mosaic
An Exploration of Diversity in Primary Documents

4 VOLUMES | GARY Y. OKIHIRO, GENERAL EDITOR
LIONEL C. BASCOM, JAMES E. SEELYE JR., EMILY MOBERG ROBINSON, AND GUADALUPE COMPEÁN, EDITORS

“This set will be an excellent addition to academic and public library collections. Highly recommended. All readership levels.” —Choice, March 24, 2015

This invaluable, four-volume compilation is a comprehensive source of documents that give voice to those who comprise the American mosaic, illustrating the experiences of racial and ethnic minorities in the United States. Each volume focuses on a major racial/ethnic group: African Americans, American Indians, Asian Americans and Pacific Islanders, and Latinos. Documents chosen by the editors for their utility and relevance to popular areas of study are organized into chronological periods from historical to contemporary.

GARY Y. OKIHIRO is professor at Columbia University.
LIONEL C. BASCOM has written numerous histories, nonfiction books, and literary collections.
JAMES E. SEELYE JR. is assistant professor at Kent State University.
EMILY MOBERG ROBINSON received a bachelor’s degree from Wellesley College and a doctorate from the University of California, Santa Cruz.
GUADALUPE COMPEÁN is an independent scholar.

Puerto Rico Past and Present
An Encyclopedia

Second Edition | SERAFÍN MÉNDEZ-MÉNDEZ WITH RONALD FERNÁNDEZ

Puerto Rico, an island rich with culture and national pride, continues to inspire debate over its designation as a commonwealth of the United States. This updated edition of a popular encyclopedia captures important historical, social, political, and cultural developments of the oldest colony in the world, up to and including the region’s current status in relation to the United States.

FEATURES
- Offers insight into more than 500 years of Puerto Rican history
- Introduces the concept of “Nuyorican,” a term for those who have helped to define and create alternative definitions of Puerto Rico
- Contains biographical entries on historical figures and political leaders
- Includes a selection of photographs to visually engage the reader

SERAFÍN MÉNDEZ-MÉNDEZ, PhD, is professor in the department of communication at Central Connecticut State University where he has taught for the last 25 years.
The late RONALD FERNÁNDEZ, PhD, was professor at Central Connecticut State University until his retirement.
Race and Racism in the United States
An Encyclopedia of the American Mosaic

4 VOLUMES | CHARLES A. GALLAGHER AND CAMERON D. LIPPARD, EDITORS

“This outstanding work provides detailed information on the topic in a balanced, comprehensive, and insightful manner... A use-first reference for any student or researcher of race-related and minority issues in the United States.”

—Library Journal, Starred Review, October 1, 2014

In the 21st century, it is easy for some students and readers to believe that racism is a thing of the past; in reality, old wounds have yet to heal, and new forms of racism are taking shape. Racism has played a role in American society since the founding of the nation, in spite of the words “all men are created equal” within the Declaration of Independence. This set is the largest and most complete of its kind, covering every facet of race relations in the United States while providing information in a user-friendly format that allows easy cross-referencing of related topics for efficient research and learning.

FEATURES
• Provides an accessible, concise, up-to-date, and scholarly encyclopedia on a topic of paramount importance—race
• Examines how issues regarding race underpin various facets of American society
• Supplies cross-indices that allow readers to search for material in a variety of ways, including chronologically, geographically, and by racial and ethnic group

CHARLES A. GALLAGHER is professor and chair of the Department of Sociology and Criminal Justice at La Salle University, Philadelphia, PA.
CAMERON D. LIPPARD is assistant professor of sociology at Appalachian State University, Boone, NC.

Undocumented Immigrants in the United States
An Encyclopedia of Their Experience

2 VOLUMES | ANNA OCHOA O’LEARY, EDITOR

“Overall, this set is a good introduction to the vast number of issues related to undocumented immigration to the United States... Recommended.”

—Choice, August 1, 2014

This two-volume work supplies accessible and comprehensive coverage of this complex subject by consolidating the insights of hundreds of scholars who have studied the issues of undocumented immigration in the United States for years. It provides a historical perspective that underscores the exponential growth of the undocumented population in the last three decades and presents a more nuanced, more detailed, and therefore more accurate portrait of undocumented immigrants than is available in general media. Also included are recommended resources that will serve researchers seeking more information on topics regarding undocumented immigrants.

FEATURES
• Offers a comprehensive, contemporary portrait of undocumented immigrants living in the United States

ANNA OCHOA O’LEARY, PhD, is assistant professor at the Mexican American Studies Department and coordinator at the Binational Migration Institute at the University of Arizona.
Cultures of the American Mosaic introduces readers to the variety of rich cultural forms within America’s racial and ethnic minority groups. Entries on folk and popular culture provide information on the history and origins of traditions and rites of passage, regional practices and variation, and contemporary cultural forms. The volumes explore broad cultural areas such as art, food, celebrations, music, literature, media, and more.

**FORThC OMING**

**Asian American Culture**
From Anime to Tiger Moms
2 VOLUMES | LAN DONG, EDITOR

March 2016, 745pp, 7x10
Print: 978-1-4408-2920-8
$189.00, £119.00, €148.00
eBook: 978-1-4408-2921-5

Providing comprehensive coverage of a variety of Asian American cultural forms, including folk tradition, literature, religion, education, politics, sports, and popular culture, this two-volume work is an ideal resource for students and general readers that reveals the historical, regional, and ethnic diversity within specific traditions.

LAN DONG, PhD, is associate professor of English at University of Illinois Springfield. She is the author of Libraries Unlimited’s *Reading Amy Tan* and a number of articles on Asian American literature and culture.

**NEW**

**American Indian Culture**
From Counting Coup to Wampum
2 VOLUMES | BRUCE E. JOHANSEN, EDITOR

September 2015, 768pp, 7x10
Print: 978-1-4408-2873-7
$189.00, £119.00, €148.00
eBook: 978-1-4408-2874-4

This invaluable resource provides a comprehensive historical and demographic overview of American Indians along with more than 100 cross-referenced entries on American Indian culture, exploring everything from arts, literature, music, and dance to food, family, housing, and spirituality.

BRUCE E. JOHANSEN is Jacob J. Isaacsion University Research Professor in communication and Native American studies at University of Nebraska at Omaha, having worked there since 1982.

**Encyclopedia of Latino Culture**
From Calaveras to Quinceañeras
3 VOLUMES | CHARLES M. TATUM, EDITOR

November 2013, 1,305pp, 7x10
Print: 978-1-4408-0098-6
$294.00, £184.00, €230.00
eBook: 978-1-4408-0099-3

“Tatum presents the work at hand as an introduction to the breadth of expressions of U.S. Latino culture. . . . Recommended.”

—Choice, May 1, 2014

This three-volume encyclopedia describes and explains the variety and commonalities in Latina/o culture, providing comprehensive coverage of a variety of Latina/o cultural forms—popular culture, folk culture, rites of passages, and many other forms of shared expression.

CHARLES M. TATUM, PhD, is professor of Spanish and Chicano studies at the University of Arizona.
Understanding 19th-Century Slave Narratives
STERLING LECATER BLAND JR., EDITOR

Naturally, it is not possible to really know what being a slave during the antebellum period in America was like without living the experience. But students CAN get eye-opening insight into what it was like through the gripping stories of bravery, courage, persistence, and resiliency in this collection of annotated slave narratives from the period.

Each of the collected narratives includes an introduction that provides readers with key historical context on the particular life examined. Moreover, each narrative is accompanied by annotations that broaden the reader’s comprehension of that primary document. The primary source documents in this volume tell enthralling stories, such as how slave woman Ellen Craft utilized her particularly pale complexion to pose as a free white man overseeing his slaves to free herself and her husband, and how Henry Brown successfully shipped himself to freedom in a box measuring scarcely 3 feet by two feet by six inches deep—despite being more than six feet tall.

Abolition and Antislavery
A Historical Encyclopedia of the American Mosaic
PETER HINKS AND JOHN MCKIVIGAN, EDITORS

The struggle to abolish human slavery is one of the most important reform campaigns in history. The eventual success of this decades-long struggle serves as an inspiring example that even the most deeply rooted social wrongs can be corrected. This valuable reference work details the history of antislavery, abolition, and emancipation to illustrate the various forms of these forces and the courses they followed in the bitterly contested struggle against the institution of slavery, affording readers the most current compendium of the diverse scholarship of this important historical topic.

FEATURES
• Offers an accessibly written reference work comprising easy-to-find subject entries for readers unfamiliar with this period in history
• Includes primary sources—such as former slave Sojourner Truth’s famous speech, “Ar’n’t I a Woman?” at a women’s convention in Ohio in 1851—that promote critical thinking and interpretive reading skills underscored in the Common Core Standards
• Provides additional reading suggestions and a bibliography of sources to supply avenues for further study
History of African Americans
Exploring Diverse Roots
THOMAS J. DAVIS

This rich cultural history of African Americans outlines their travails, triumphs, and achievements in negotiating individual and collective identities to overcome racism, slavery, and the legacies of these injustices from colonial times to the present.

FEATURES
- Reveals the extent of anti-black racism in America
- Examines black heritage in America from its colonial origins to the present
- Highlights the contributions of African Americans throughout history
- Illustrates the role of African Americans in the American economy
- Centers on African Americans in the development of American history

THOMAS J. DAVIS, PhD, JD, is professor of history at Arizona State University, Tempe.

African American Folklore
An Encyclopedia for Students
ANAND PRAHLAD, EDITOR

African American folklore dates back 240 years and has had a significant impact on American culture from the slavery period to the modern day. This encyclopedia provides accessible entries on key elements of this long history, including folklore originally derived from African cultures that have survived here and those that originated in the United States.

FEATURES
- Offers the most comprehensive compilation of resources on African American folklore, in the forms of bibliographical citations, lists of websites, and lists of cultural centers
- Demonstrates the importance of black folklore to the development of American culture

ANAND PRAHLAD, PhD, is professor in the English department at the University of Missouri in Columbia.

Maya Angelou
The Iconic Self
Second Edition | MARY JANE LUPTON

This book presents the extraordinary life and writings of Maya Angelou. It examines the changing viewpoints in her six autobiographies within the context of women’s and African American autobiographies, with specific reference to the slave narrative and to contemporary fiction and film.

FEATURES
- Examines each of Maya Angelou’s six autobiographies, enabling readers to understand what growing up black and female in the United States was like
- Traces the development of black autobiography from its roots in the slave narrative to its presence in contemporary fiction and film
- Highlights the exclusive 1997 interview between Maya Angelou and the author

MARY JANE LUPTON, PhD, is professor emeritus at Morgan State University.

June 2015, 832pp, 7x10
Print: 978-1-4408-0075-7
$189.00, £119.00, €148.00
eBook: 978-1-4408-0076-4

“[F]or beginning students and general readers wishing to educate themselves on this aspect of the American experience. Recommended.”
—Choice, June 1, 2015

“This is an excellent resource for high school, public, and academic libraries because it offers comprehensive coverage of important issues facing all communities.”
—Booklist, October 10, 2015

With all of the progress African Americans have made, they still face many risks that threaten the entire race or place segments in jeopardy of survival. This work examines the widespread problem and suggests solutions.

FEATURES
• Examines up-to-date statistical data on the primary issues negatively impacting African Americans
• Provides extensive literary and data analysis of the issues addressed
• Supplies concise background and investigates the implications of each key issue

GLENN L. STARKS, PhD, is a senior acquisition division chief for the U.S. Department of Defense.

A Documentary Collection of the Slave Narratives from the Federal Writers’ Project
3 VOLUMES | SPENCER CREW, LONNIE BUNCH, AND CLEMENT PRICE, EDITORS

The Great Black Migration
A Historical Encyclopedia of the American Mosaic
STEVEN A. REICH, EDITOR

“The work represents a significant academic discourse. . . . This volume would make a substantial contribution to comprehensive library reference collections. University, community college, and high school libraries would recognize it as an essential resource encyclopedia volume.”
—ARBA, November 12, 2014

“Highly recommended. Lower-level undergraduates through researchers/faculty; general readers.”
—Choice, November 6, 2014

“[A] rich collection of articles that can guide and support curriculum design and lesson planning, as well as support student research. . . . highly recommended.”
—Reference Reviews, June 9, 2015

“[T]his impressive encyclopedia will be useful to academic, public, middle, and high school library users.”
—ARBA, April 1, 2014

Does justice exist for Blacks in America? This comprehensive compilation of essays documents the historical and contemporary impact of the law and criminal justice system on people of African ancestry in the United States.

DELORES D. JONES-BROWN is professor at John Jay College of Criminal Justice, City University of New York.
BEVERLY D. FRAZIER is assistant professor at John Jay College of Criminal Justice, City University of New York.
MARVIE BROOKS is retired from the City University of New York library system after 50 years of service.

For the first time, the WPA Slave Narratives are organized by theme, making it easier to examine—and understand—specific aspects of slave life and culture.

SPENCER CREW, PhD, is Clarence J. Robinson Professor of History at George Mason University.
LONNIE BUNCH is the founding director of the National Museum of African American History and Culture at the Smithsonian Institution.
CLEMENT PRICE, PhD, is Board of Governors Distinguished Service Professor of History and director of the Institute on Ethnicity, Culture, and the Modern Experience at Rutgers University.

Treating broad themes as well as specific topics, this guide to the Great Black Migration will introduce high school students to a touchstone critical to shaping the history of African Americans in the United States.

FEATURES
• Provides students with essential information about key people, places, organizations, and events that defined the movement of Southern African Americans to the urban North and West

STEVEN A. REICH, PhD, is professor of history at James Madison University.
GREENWOOD SERIES
Historical Explorations of Literature

Titles in the Historical Explorations of Literature series provide teachers and students with innovative works that align with educational standards, integrate American literature and social studies, and offer multiple features such as chronologies, historical and author background essays, primary document excerpts, discussion questions, and further readings.

The Civil Rights Movement
A Historical Exploration of Literature
MICHAEL DERELL HILL

This book places canonical texts of African American literature in the context of the Civil Rights Movement, a watershed moment in time that framed the composition, publication, and reception of these works.

FEATURES
• Devotes attention to a literary period that is rapidly gaining popularity
• Provides supplemental material that illuminates primary texts

MICHAEL DERELL HILL, PhD, is associate professor of English/African American Studies at the University of Iowa.

American Slavery
A Historical Exploration of Literature
ROBERT FELGAR

Utilizing key selections from American literature, this volume aligns with ELA Common Core Standards to give students a fresh perspective on and a keener understanding of slavery in the United States.

FEATURES
• Helps students understand classic works of American literature from the slavery era by putting them in the context of history, society, and culture
• Helps students understand social and political issues relative to slavery by analyzing their appearance in period literature

ROBERT FELGAR, PhD, is professor of English and department head at Jacksonville State University, Jacksonville, AL.

The Harlem Renaissance
A Historical Exploration of Literature
LYNN DOMINA

A perfect guide for use in high school classes, this book explores the fascinating literature of the Harlem Renaissance, reviewing classic works in the context of the history, society, and culture of its time.

FEATURES
• Discusses five major writers of the Harlem Renaissance
• Provides numerous suggestions for class activities and further individual exploration

LYNN DOMINA, PhD, is a professor of English at the State University of New York at Delhi.

“Lee, an expert on Asian heritage in the U.S., compiles an accessible overview on immigration history. . . [R]ecommended for high school and public libraries.”
—Booklist, September 1, 2015

“Immigration and settlement are main themes of discussions for each of the groups mentioned. . . Recommended. General readers/public libraries.”
—Choice, July 23, 2015

A comprehensive, compelling, and clearly written title that provides a rich examination of the history of Asians in the United States, covering well-established Asian American groups as well as emerging ones such as the Burmese, Bhutanese, and Tibetan American communities.

JONATHAN H. X. LEE, PhD, is associate professor of Asian American studies who specializes in Southeast Asian and Sino-Southeast Asian American studies at San Francisco State University.

Covering topics ranging from the establishment of the Gulf Coast shrimping industry in 1800s to the Korean taco truck craze in the present day, this book explores the widespread contributions of Asian Americans to U.S. food culture.

FEATURES
• Describes Chinese American, Japanese American, Korean American, Filipino American, and Vietnamese American food cultures
• Introduces many of the major contributions Asian Americans have made to the American culinary landscape through a historical overview of Asian immigration to the United States and an examination of the rise of Asian-owned restaurants, markets, groceries, and packaged food companies
• Details the cooking techniques, ingredients, dishes, and styles of dining that Asian Americans have introduced to the United States

ALICE L. MCLEAN, PhD, is a lecturer in food studies at the University of the Pacific, San Francisco.

“Lee, an expert on Asian heritage in the U.S., compiles an accessible overview on immigration history. . . [R]ecommended for high school and public libraries.”
—Booklist, September 1, 2015

“Immigration and settlement are main themes of discussions for each of the groups mentioned. . . Recommended. General readers/public libraries.”
—Choice, July 23, 2015

This encyclopedia would be most useful for any researcher looking for information on Asian Americans and their history, especially where there is an Asian American population. Recommended for academic and public libraries.”
—Booklist, March 15, 2014

This is the most comprehensive and up-to-date reference work on Asian Americans, comprising three volumes that address a broad range of topics on various Asian and Pacific Islander American groups from 1848 to the present day.

XIAOJIAN ZHAO, PhD, is professor of Asian American studies at the University of California, Santa Barbara.

EDWARD J.W. PARK, PhD, is professor of Asian Pacific American studies at Loyola Marymount University in Los Angeles, CA.
FORTHCOMING

Understanding Latino History
Excavating the Past, Examining the Present
PABLO R. MITCHELL

This Latino history textbook is an outstanding reference source that covers many different Latinos groups within a single comprehensive narrative.

FEATURES
- Provides information that is accessible to a general student audience, supplying a comprehensive narrative history that covers various Latino groups along with profiles of notable Latinos from every era
- Covers all Latino groups, placing the history of Mexican Americans alongside the cultures and experiences of Puerto Ricans, Cubans, Dominicans, and Central and South Americans

PABLO R. MITCHELL is associate dean of the College of Arts and Sciences as well as professor of history and comparative American studies at Oberlin College in Oberlin, OH.

FORTHCOMING

Latinos and Criminal Justice
An Encyclopedia
JOSÉ LUIS MORÍN, EDITOR

This unique compilation of essays and entries provides critical insights into the Latino/a experience with the U.S. criminal justice system.

FEATURES
- Provides vital information at a time when questions and controversies swirl about Latinos in the United States
- Addresses key areas of concern with respect to Latinos and crime, immigration, drugs, gangs, and police policies and practices in Latino and African American communities

JOSÉ LUIS MORÍN is professor in the Latin American and Latina/o Studies Department and a member of the faculty in the Doctoral Program in Criminal Justice at John Jay College of Criminal Justice, City University of New York.

FORTHCOMING

The Chicano Movement
A Historical Exploration of Literature
SARA E. MARTÍNEZ

This book furthers appreciation of key pieces in American literature from the Chicano Movement by placing them in the context of history, society, and culture.

FEATURES
- Offers a one-stop reference work for teachers covering the Chicano Movement as well as their students
- Integrates and aligns material for American literature and social studies curriculum
- Focuses on innovative literary works that align with the ELA Common Core Standards
- Provides tools to support literary works—analysis, history, document excerpts, and discussion questions

SARA E. MARTÍNEZ, MLIS, manages the Nathan Hale branch of the Tulsa City-County Library’s Hispanic Resource Center and was its founding coordinator.
**FORTHCOMING**

**Encyclopedia of Latino Artists**

RACHEL G. MOHL

A key resource for any library, particularly those supporting programs in art history, fine arts, or Latino American studies, this book provides a broad introduction to the vast contributions of Latino artists.

GREENWOOD

July 2016
376pp, 7x10
Print: 978-1-4408-0107-5
$89.00, £56.00, €70.00
eBook: 978-1-4408-0108-2

**Features**

- Arranges information in an accessible A–Z format ideal for students and general readers

RACHEL G. MOHL is the curatorial assistant for Latin American and Latino art at the Museum of Fine Arts, Houston, and a doctoral student at Rice University.

---

**Latin Music**

**Musicians, Genres, and Themes**

2 VOLUMES | ILAN STAVANS, EDITOR-IN-CHIEF

“Recommended for large public libraries and academic libraries, particularly those where there is high interest in Latin American music.”

—Booklist
December 1, 2014

“Scholars of music of Latin origin will be delighted with this gem in public and academic libraries where it will be used and treasured.”

—ARBAonline, December 1, 2014

This definitive two-volume encyclopedia of Latin music spans 5 centuries and 25 countries, showcasing musicians from Celia Cruz to Plácido Domingo and describing dozens of rhythms and essential themes.

ILAN STAVANS, PhD, is Lewis-Sebring Professor in Latin American and Latino culture at Amherst College.

---

**Latinos and Latinas at Risk**

Issues in Education, Health, Community, and Justice

2 VOLUMES | GABRIEL GUTIÉRREZ, EDITOR

“[A] solid resource for multicultural-studies programs at the college level.”

—Reference Reviews, June 9, 2015

“Recommended. Undergraduates and general readers.”

—Choice, July 1, 2015

This two-volume collection of essays addresses the Latino/a experience in present-day America, covering six major areas of importance: education, health, family, children, teens, and violence.

GABRIEL GUTIÉRREZ, PhD, is director of the Center for the Study of the Peoples of the Americas (CESPA) and professor of Chicano/a studies at California State University, Northridge.

---

**History of Latinos**

Exploring Diverse Roots

PABLO R. MITCHELL

The first text of its kind to trace the combined history of Latino groups in the United States from 1500 to the present day.

**Features**

- Features a timetable of major events in Latina/o history
- Emphasizes the bonds between different groups rather than their differences

PABLO R. MITCHELL is associate dean of the College of Arts and Sciences as well as professor of history and comparative American studies at Oberlin College in Oberlin, OH.
GREENWOOD SERIES

Landmarks of the American Mosaic

The American experience is infused with tumultuous events that forged history. African American soldiers in the Civil War, the Underground Railroad, the Chinese Exclusion Act of 1882, Tejano culture, and the Iroquois Confederacy all created our ethnic identity. Social protests like the Selma to Montgomery marches, Cesar Chavez’s boycotts, and the Black Power movement showcased the passion and power of American immigrants to instill change.

Each text in the Landmarks of the American Mosaic series provides a logical chronology on a particular topic, tracing the unfolding of the book’s subject over time. Written for high school students and general readers, each selection in this series explores a development central to America’s multicultural heritage.

FEATURES

• Covers topics and events in African American, Native American, Asian American, Latino, and women’s history
• Includes biographies of key figures central to the historical event
• Offers primary documents regarding multicultural history, including public domain sources
• Annotated bibliographies cite and briefly assess the most important print and electronic resources suitable for high school student research

Based on the content of most textbooks, it would be easy to reach the erroneous conclusion that women have not contributed much to America’s history and development. Nothing could be further from the truth. Offering comprehensive coverage of women of a diverse range of cultures, classes, ethnicities, religions, and sexual identifications, this four-volume set identifies the many ways in which women have helped to shape and strengthen the United States.

This book provides an encyclopedic sourcebook on the evolution of women’s involvement in American politics from the colonial era to the present, covering all of the individuals, organizations, cultural forces, political issues, and legal decisions that have collectively served to elevate the role of women at the ballot box, on the campaign trail, in Washington, and in state- and city-level political offices across the country. The in-depth essays document and examine the rising prominence of women as voters, candidates, public officials, and lawmakers, enabling readers to understand how U.S. political processes and institutions have been—and will continue to be—shaped by women and their perspectives on American life and values.
Women’s Rights in the United States
A Comprehensive Encyclopedia of Issues, Events, and People
4 VOLUMES | TIFFANY K. WAYNE, EDITOR; LOIS BANNER, ADVISING EDITOR

Meet the First Ladies of the United States—sometimes inspiring, sometimes tragic, always fascinating—women who, though often unsung, helped hold the nation together in its infancy and advance it as a world power.

FEATURES
• Overviews the social, political, and cultural significance of America’s First Ladies in a convenient, chronological, reference format
• Includes letters, notes, and speeches that allow the First Ladies to speak for themselves
• Features engaging and informative sidebars that place the First Ladies in the cultural context of their times

NANCY HENDRICKS, PhD, is an award-winning historian who holds a doctorate in education from the University of Arkansas.

American Women Speak
An Encyclopedia and Document Collection of Women’s Oratory
2 VOLUMES
MARY ELLEN SNODGRASS

This A-to-Z compendium explores more than 150 American women activists from colonial times to the present, examining their backgrounds and the focus of their activism, and provides examples of their speeches.

FEATURES
• Covers issues from 1637 to 2015, representing minority perspectives and speeches
• Surveys oration as a means of enlightening the public on the needs of the poor, disenfranchised, undereducated, and underemployed females
• Introduces less familiar activists, such as Samantha Power and Ai-jen Poo

MARY ELLEN SNODGRASS has served as a humanities, English, and Latin teacher with more than 20 years of experience at the high school and university levels.
The American History database is designed to move students and young adult library patrons beyond memorizing names and dates toward a deeper understanding of America’s fascinating, complex story—its precontact origins, westward expansion, social movements, internal conflicts, and contemporary defining moments. Created in collaboration with scholars, educators, and librarians, American History helps users become successful students of history with citation information at their fingertips and a highly visual and engaging interface. Whether clicking through primary sources from the Revolutionary Era or preparing for an exam on World War II, students and general researchers will find everything they need in this easy-to-use database.

**FEATURES**

- Nearly 20,000 primary and secondary sources, including overview essays, biographies, government and court documents, photos, maps, audio/video clips, statistics, and more
- Over 100 topical overviews and nearly 3,300 biographies of famous political and military figures, such as John Locke, Sandra Day O’Connor, and Douglas MacArthur, as well as fascinating people from across American society, including Hank Aaron, Andrew Carnegie, Robert Redford, and Jonas Salk
- Over 500 video learning modules strategically designed to provide essential context for understanding complex topics

Imperialism and Expansionism in American History
A Social, Political, and Cultural Encyclopedia and Document Collection

This groundbreaking four-volume encyclopedia offers sweeping coverage of a subject central to American history and of urgent importance today as the nation wrestles with a global imperial posture and the long-term viability of the largest military establishment in human history. The work features more than 650 entries encompassing the full scope of American expansionism and imperialism from the colonial era through the 21st-century “War on Terror.”

FEATURES
• Overviews the history of American imperialism through chronologically arranged entries that are multidisciplinary, incisively written, and informed by the latest scholarship
• Covers issues ranging from the fur trade of the frontier era to today’s complex engagement in the Middle East and Africa
• Shares key insights on the intersection of popular culture with the projection of U.S. military power

Contemporary Immigration in America
A State-by-State Encyclopedia

“Resources that explore immigration on a state level—especially those that survey all 50 states—are rare. . . . Recommended for survey courses at the high school and college level.”

—Reference Reviews, June 9, 2015

“This encyclopedia takes a unique approach to a prominent topic capturing the American conversation and conscience. . . . Recommended.”

—Choice, October 1, 2015

Immigration continues to be a timely and often-controversial subject, particularly regarding legislation at the state level. While many books cover U.S. immigration, both historical and contemporary, few if any reference works examine the role of contemporary immigration in individual states. This two-volume encyclopedia fills that gap. Chapters address legal, social, political, and cultural issues of immigrant groups on a state-by-state basis and explore immigration trends and issues faced by individual ethnic populations.

FEATURES
• Offers topical essays on all 50 U.S. states, covering the history of immigration, state and local policies, and the contributions of various ethnic groups
Clothing and Fashion
American Fashion from Head to Toe

This sweeping overview of fashion and apparel covers several centuries of American history as seen through the lens of the clothes we wear—from the Native American moccasin to Manolo Blahnik’s contribution to stiletto heels. Through four detailed volumes, this work delves into what people wore in various periods in our country’s past and why—from hand-crafted family garments in the 1600s, to the rough clothing of slaves, to the sophisticated textile designs of the 21st century.

**Features**
- Covers the fashions of all economic levels of Americans from the indigent to the very wealthy, from T-shirts to architecturally sculptured gowns and suits.
American History through Its Greatest Speeches
A Documentary History of the United States

3 VOLUMES | JOLYON GIRARD, DARRYL MACE, AND COURTNEY SMITH, EDITORS

This essential reference work presents the most important and historically significant speeches delivered since colonial times, providing in essence a documentary history of the United States through these public utterances. Readers can witness American history unfold firsthand through these stirring and at times controversial speeches—from Patrick Henry’s fiery words calling for an American revolution, through the words of the 19th-century abolitionists and Lincoln’s immortal Gettysburg Address, and up through the 20th century with President Wilson’s famous “Fourteen Points,” FDR reminding Americans that the only thing they had to fear was fear itself, and George W. Bush responding to the attacks of September 11. For students, teachers, librarians, and general readers, this indispensable work provides essential reference resources on the speeches of great significance in American history.

JOLYON P. GIRARD, PhD, is professor emeritus at Cabrini College, Radnor, PA.
DARRYL MACE, PhD, is chair of history and political science at Cabrini College.
COURTNEY SMITH, PhD, is associate professor of history and political science and core curriculum director at Cabrini College.

American Myths, Legends, and Tall Tales
An Encyclopedia of American Folklore

3 VOLUMES | CHRISTOPHER R. FEE AND JEFFREY B. WEBB, EDITORS

Folklore has been a part of American culture for as long as humans have inhabited North America, and increasingly formed an intrinsic part of American culture as diverse peoples from Europe, Africa, Asia, and Oceania arrived. In modern times, folklore and tall tales experienced a rejuvenation with the emergence of urban legends and the growing popularity of science fiction and conspiracy theories, with mass media such as comic books, television, and films contributing to the retelling of old myths. This multi-volume encyclopedia will teach readers the central myths and legends that have formed American culture since its earliest years of settlement. Its entries provide a fascinating glimpse into the collective American imagination over the past 400 years through the stories that have shaped it.

FEATURES
- Presents a compelling mix of some 500 entries drawn from traditional Native American and European American culture as well as Mexican American, African American, Chinese American, and other national traditions
- Includes numerous primary documents that help readers to pinpoint and understand the origins of different myths and legends as well as how they evolve over time

CHRISTOPHER R. FEE, PhD, is professor and chair of English at Gettysburg College, Gettysburg, PA.
JEFFREY B. WEBB, PhD, is professor and chair of history and political science at Huntington University, Huntington, IN.
Ideas and Movements That Shaped America
From the Bill of Rights to “Occupy Wall Street”

3 VOLUMES | MICHAEL S. GREEN AND SCOTT L. STABLER, EDITORS

Presenting accessibly written information for general audiences as well as students and researchers, this three-volume work examines the evolution of American society and thought from the nation’s beginnings to the 21st century. It covers the seminal ideas and social movements that define who we are as Americans—from the ideas that underpin the Bill of Rights to slavery, the Civil Rights movement, and the idea of gay rights—even if U.S. citizens often strongly disagree on these topics.

Features
• Contains more than 200 entries from expert contributors on a wide variety of American ideas and movements, each accompanied by a relevant original document and helpful cross references
• Covers ideas and movements across a broad sweep of U.S. history that enable readers to see recurring themes as well as how American thought has evolved
• Presents U.S. history through a unique lens that enables students to better comprehend “the mindset of the American people,” as opposed to the traditional study of history as a series of important events and people on a fixed timeline

Secret Societies and Clubs in American History

DAVID LUHRSSEN

Americans are fascinated by secret societies and have devoured exaggerated claims for their influence. At the same time, scholarly assessments of covert groups that have shaped American social, cultural, and political history have often undervalued their role or even questioned their existence.

Revealing fascinating facts about some of the most talked-about covert societies, including the Mafia, the Skull and Bones and the Ku Klux Klan, Secret Societies and Clubs in American History exposes the truth about the subcultures that made their mark on some of the most important events in the nation’s history and contributed to the shaping of the country itself.

Features
• Based on scholarly research, this book appeals to both academics and the general public
• Sheds light on familiar figures from American history
• Includes photographs
Italian Americans
The History and Culture of a People
ERIC MARTONE, EDITOR

ABC-CLIO
July 2016, 491pp, 7x10
Print: 978-1-61069-994-5
$100.00, £63.00, €79.00
eBook: 978-1-61069-995-2

The entire Italian-American experience—from America’s earliest days through the present—is now available in a single volume.

FEATURES
• Hundreds of annotated entries give brief histories of the people, places, and events associated with Italian-American history
• A-to-Z organization within five thematic sections facilitates ease of use
• An extensive collection of primary documents illustrates the Italian-American experience over the course of American history

ERIC MARTONE, PhD, is associate professor of history and social studies education at Mercy College in New York.

Chinese Americans
The History and Culture of a People
JONATHAN H. X. LEE, EDITOR

ABC-CLIO
November 2015, 498pp, 7x10
Print: 978-1-61069-549-7
$100.00, £63.00, €79.00
eBook: 978-1-61069-550-3

This in-depth historical analysis highlights the enormous contributions of Chinese Americans to the professions, politics, and popular culture of America, from the 19th century through the present day.

FEATURES
• Highlights the distinctive roles that Chinese Americans have added to the fabric of American life
• Illustrates the experience of Chinese Americans with discrimination, resistance, and assimilation
• Considers the émigrés of the Sinophone diaspora with entries on Cambodian-Chinese and Vietnamese-Chinese Americans

JONATHAN H. X. LEE, PhD, is associate professor of Asian American studies who specializes in Southeast Asian and Sino-Southeast Asian American studies at San Francisco State University.

Irish Americans
The History and Culture of a People
WILLIAM E. WATSON AND EUGENE J. HALUS, JR., EDITORS

ABC-CLIO
November 2014, 511pp, 7x10
Print: 978-1-61069-466-7
$100.00, £63.00, €79.00
eBook: 978-1-61069-467-4

“Students doing reports on this immigrant group, Irish Americans who are interested in their ancestors’ history, and browsers will enjoy this thorough look at a group that has a long history in the United States.”

—Library Journal, March 1, 2015

Virtually every aspect of American culture has been influenced by Irish immigrants and their descendants. This encyclopedia tells the full story of the Irish-American experience, covering immigration, assimilation, and achievement.

WILLIAM E. WATSON, PhD, is professor of history at Immaculata University in Malvern, PA.

EUGENE J. HALUS, JR., PhD, is associate professor of politics and chairman of the Department of History and Politics at Immaculata University in Malvern, PA.
Encyclopedia of Populism in America
A Historical Encyclopedia

2 VOLUMES | ALEXANDRA KINDELL AND ELIZABETH S. DEMERS

“The well-written accounts always connect a subject to its populist context. . . . This is a very useful introduction to the subject. Recommended.”

—Choice, September 1, 2014

ALEXANDRA KINDELL, PhD, is an instructor at Purdue University North Central and American Military University. She has also written and edited western history projects with Praeger.

ELIZABETH S. DEMERS, PhD, is acquisitions editor for military and American history at Zenith Press, part of the Quayside Publishing Group.

Gambling in America
An Encyclopedia of History, Issues, and Society
Second Edition | WILLIAM N. THOMPSON

“A rich bibliography closes this impressive book which should interest the individual scholar and general reader alike. . . . This book belongs in all libraries with collections on social and economic history.”

—Library Journal, April 15, 2015

“Thompson has a writing style that is very accessible. Recommended. Lower-level undergraduates; general readers.”

—Choice, July 1, 2015

This one-volume reference provides a comprehensive overview of gambling in the Americas, examining the history, morality, market growth, and economics of the gaming industry.

WILLIAM N. THOMPSON, PhD, is professor emeritus of public administration at the University of Nevada, Las Vegas.

American Slave Revolts and Conspiracies
A Reference Guide

KERRY WALTERS

Provides a comprehensive overview of 10 major slave revolts and examines how those uprisings and conspiracies impacted slaveholding colonies and states from 1663 to 1861.

FEATURES
• Offers an overview of American slave revolts and conspiracies to revolt

KERRY WALTERS, PhD, is the William Bittinger Professor of Philosophy and professor of peace and justice studies at Gettysburg College.

Reconstruction
A Historical Encyclopedia of the American Mosaic

RICHARD ZUCZEK, EDITOR

Composed by the leading historians in the field, this single-volume encyclopedia on Reconstruction delivers the most concise, focused, and readable reference work available to high school educators and students.

GREENWOOD
November 2015
435pp, 7x10
Print: 978-1-61069-917-4
$100.00, £63.00, €79.00
eBook: 978-1-61069-918-1

FEATURES
• Provides a concise, easy-to-read resource ideal for high school history students and general readers covering the key actors and events of the Reconstruction Era

RICHARD ZUCZEK, PhD, is professor of history at the U.S. Coast Guard Academy.
This concise guide zooms in on the period of American history known as the Industrial Revolution, from its earliest beginnings in the mid-18th century to just after the First World War.

JAMES S. OLSON, PhD, is distinguished professor of history at Sam Houston State University, Huntsville, TX.

SHANNON L. KENNY is the proprietor of a Santa Barbara-based editorial and writing services agency specializing in history, lifestyle, and travel.

This fifth volume of The Papers of James Monroe presents many important and never-before published documents relating to the critical years 1803–1811, providing a documentary record of the early American Republic as well as of a future president of the United States.

DANIEL PRESTON, PhD, is editor of the Papers of James Monroe project at the University of Mary Washington, Fredericksburg, VA.

This book provides a comprehensive description of what being sick and receiving "medical care" was like in 19th-century America, allowing modern readers to truly appreciate the scale of the improvements in healthcare theory and practice.

JOHN C. WALLER is associate professor of the history of medicine at Michigan State University, East Lansing, MI.

DANIEL J. LEAB is professor of history at Seton Hall University, South Orange, NJ, where he was director of American studies and founding director of the university’s multicultural program.
AMERICAN HISTORY / GENERAL

ABC-CLIO SERIES
Guides to Historic Events in America

“Making sense of the American experience demands attention to critical moments—events—that reflected and affected American ideas and identities. By drawing on the latest and best literature, and bringing together narrative overviews and critical chapters of important historic events, the books in this series function as both reference guides and informed analyses to critical events that have shaped American life, culture, society, economy, and politics and fixed America’s place in the world.

Each book follows a common format, with a chronology, historical overview, topical chapters on aspects of the historical event under examination, a set of biographies of key figures, selected essential primary documents, and an annotated bibliography. As such, each book holds many uses for students, teachers, and the general public wanting and needing to know the principal issues and the pertinent arguments and evidence on significant events in American history. The combination of historical description and analysis, biographies, and primary documents also moves readers to approach each historic event from multiple perspectives and with a critical eye. Each book in its structure and content invites students and teachers, in and out of the classroom, to consider and debate the character and consequences of the historic event in question. Such debate invariably will bring readers back to that most critical and never-ending question of what does, and must, ‘America’ mean.”

—Randall M. Miller

MARK EDWARD LENDER, PhD, is professor emeritus and former vice president for academic affairs at Kean University. He holds a doctorate in history from Rutgers University.

FORTHCOMING

The War for American Independence
A Reference Guide
MARK EDWARD LENDER

Without the American Revolution and its eventual successful outcome for the Patriot colonists, the course of American development—our institutions, culture, politics, and economics—would have run in radically different directions. From any perspective, the War for Independence was one of the seminal events of national history. This book offers a clear, easy-to-read, and complete overview of the conflict that explains how and why key events happened, addressing all main events leading to the imperial crisis, the course of the war, and the ultimate success of the movement for independence. It also emphasizes the human cost of the struggle: the ferocity of the fighting that stemmed from the belief among participants on all sides that defeat was tantamount to cultural, political, and even physical extinction.

FEATURES
• Offers readers an incisive view of the ferocity of the war and the human cost of independence
• Documents how and why the Continental Army became a racially integrated army, something America would not see again until the Korean War
• Explains how a colonial rebellion in America became part of a world war

September 2016, 272pp, 6 1/8x9 1/4
Print: 978-1-61069-833-7
$63.00, £40.00, €50.00
eBook: 978-1-61069-834-4

ABC-CLIO/GREENWOOD / SPRING 2016
Reconstruction
A Reference Guide
PAUL E. TEED AND MELISSA LADD TEED

Providing an exciting narrative of Reconstruction based on current scholarship, historical sources, as well as interpretive essays on special topics, this book offers real insight into a controversial and critical period in American history.

FEATURES
• Provides readers with an understanding of Reconstruction based on the most recent scholarship and analytical essays that promote critical thinking about important issues of this critical era

PAUL E. TEED, PhD, is professor of history at Saginaw Valley State University in Michigan.

MELISSA LADD TEED, PhD, is professor of history at Saginaw Valley State University.

Andrew Jackson and the Rise of the Democrats
A Reference Guide
MARK R. CHEATHEM

This illuminating overview explains political parties in the early 19th century, comparing and contrasting that era with the modern-day political climate.

FEATURES
• Provides biographical sketches of prominent Democratic figures
• Includes comprehensive coverage of political parties between the Revolution and the Civil War

MARK R. CHEATHEM, PhD, is associate professor of history at Cumberland University.

The Progressive Era
A Reference Guide
FRANCIS J. SICIUS

“With concise information presented in an easy-to-read manner, this is a good starting place for high school reports and casual research, and it is recommended for school and public libraries.”

—Booklist, September 9, 2015

This fascinating guide documents the transformation of government from passive observer to active participant and ally of the American people during the late-19th and early-20th centuries.

FRANCIS J. SICIUS, PhD, is professor of history at St. Thomas University, Miami, FL.

America in the Cold War
A Reference Guide
WILLIAM T. WALKER

“This resource is an excellent starting point for Cold War study for high school students, undergraduates, and general readers. . . . Recommended.”

—Choice, July 1, 2014

Including extensive, balanced information, keen insights, and helpful research tools, this book provides a valuable resource for students or general readers interested in American policy, diplomacy, and conduct during the Cold War.

WILLIAM T. WALKER, PhD, is the former senior vice president and professor of history at Chestnut Hill College in Philadelphia, PA, where he continues to teach part-time. His published works include ABC-CLIO’s McCarthyism and the Red Scare: A Reference Guide.

Daily Life

What was life really like for ordinary people in other cultures throughout history? How did they raise their children? What did they do for fun? From sexual mores in ancient Egypt to resistance music in modern Latin America, and from the fashion sense of the Mongols to the importance of film in modern India, the world comes alive in the indispensable hands-on volumes of this award-winning series. A truly interdisciplinary resource, the Daily Life series covers arts; religion; food; literature; language; romance; rites of passage and coming of age; marriage customs; social and government structure; sickness and cures; warfare; sports and games; holidays; festivals; and more. With direct ties to the curriculum and supported by the most current research, these authoritative volumes are organized in an accessible narrative chapter format, and supplemented with photos, maps, and other ready reference materials, Daily Life volumes are ideal sources for general readers and students of world history, United States history, social studies, anthropology, religion, literature, arts, and more.

The World of the American Revolution
A Daily Life Encyclopedia
2 VOLUMES
MERRIL D. SMITH, EDITOR

August 2015, 970pp, 7x10
Print: 978-1-4408-3027-3

Crime and Punishment in America
An Encyclopedia of Trends and Controversies in the Justice System
2 VOLUMES | LAURA L. FINLEY, EDITOR

Socioeconomic factors on crime. Hate crimes. Concealed carry laws. Racial disparities in sentencing. These are just a few of the controversies in our justice system.

Should people be able to use lethal force before retreating? What are the arguments for and against executing mentally ill inmates? Should police always need warrants to search individuals or their property? How can we best hold accountable white collar offenders? Why do men perpetrate crime at higher rates than women? This two-volume set grapples with the answers to these complex questions and many more, enabling readers to better understand current crime/punishment issues within the context of America’s ever-evolving culture, economy, and politics.

This multidisciplinary reference work offers a current and thorough compilation of the most important and hotly contested topics related to crime and criminal justice. Organized alphabetically, each entry presents scholarly research and authoritative sources to inform readers about the subject.

World at War: Understanding Conflict and Society

This user-friendly online resource presents comprehensive information and unique insights into the military conflicts that have defined our world from antiquity to today.

FEATURES:

- Features Perspectives sections that support student inquiry into historical dilemmas by asking questions such as, “Was the French Revolution a direct result of the Enlightenment?” and “Was Ronald Reagan responsible for the collapse of the Soviet Union and the end of the Cold War?”
- Presents complete overviews of more than 40 wars, with timelines, causes and consequences, portraits of opponents, and links to supporting facts, figures, primary sources, and audiovisual content
- Offers more than 10,000 primary sources, including images, maps, personal accounts, and video and audio clips for analysis or enhancing lectures

AWARD WINNER

2015 EDDIE Award, Best High School Social Studies Website
—ComputEd Gazette

From ancient Greek warfare to the United States’s military involvement in the Middle East in recent decades, violent conflict is interwoven throughout our history. While the justifications for war are highly debatable, there is no disagreement about the value of studying past conflicts to better understand our nature—and to hopefully avoid future wars.

ORDER THROUGH YOUR DISTRIBUTOR OR AT ABC-CLIO.COM / 800-368-6868
FEATURES
• Provides a clear understanding of the causes of World War II, reaching back to World War I and the role of the Western democracies in its origin
• Examines home front developments in major countries during the war, such as race and gender relations in the United States

SAMPLE TOPICS
• African Americans and World War II
• Alliances
• Art
• Battles
• Campaigns
• Diplomatic Conferences
• Economic Policy
• Film
• Key Geographical Areas
• Key Political and Military Leaders
• Latin America and the War
• Music
• Tactics
• Technological Developments
• The Holocaust
• Weapons
• Women and the War
• Zoot Suit Riots

SPENCER C. TUCKER, PhD, is senior fellow in military history for ABC-CLIO and the author or editor of more than 50 books and encyclopedias, many of which have received major awards.

World War II caused dramatic shifts in the social, cultural, and political landscapes of America, Asia, and Europe beyond the direct fallout of tens of millions of lost lives.

This encyclopedia represents a single source of authoritative information on World War II that provides accessible coverage of the causes, course, and consequences of the war. Its introductory overview essays and cross-referenced A–Z entries explain how various sources of friction culminated in a second worldwide conflict, document the events of the war and why individual battles were won and lost, and identify numerous ways the war has permanently changed the world. The coverage addresses the individuals, campaigns, battles, key weapons systems, strategic decisions, and technological developments of the conflict, as well as the diplomatic, economic, and cultural aspects of World War II.

The five-volume set provides comprehensive information that gives readers insight into the reasons for the war’s direction and outcome. Readers will understand the motivations behind Japan’s decision to attack the United States, appreciate how the concentration of German military resources on the Eastern Front affected the war’s outcome, understand the major strategic decisions of the war and the factors behind them, grasp how the Second Sino-Japanese War contributed to the start of World War II, and see the direct impact of new military technology on the outcomes of the battles during the conflict. The lengthy documents volume represents a valuable repository of additional information for student research.
Conflict in Ancient Greece and Rome
The Definitive Political, Social, and Military Encyclopedia

3 VOLUMES | SARA E. PHANG, IAIN SPENCE, DOUGLAS KELLY, AND PETER LONDEY, EDITORS

Conflict in Ancient Greece and Rome: The Definitive Political, Social, and Military Encyclopedia is an outstandingly comprehensive reference work on its subject. Covering wars, battles, places, individuals, and themes, this thoroughly cross-referenced three-volume set provides essential support to any student or general reader investigating ancient Greek history and conflicts as well as the social and political institutions of the Roman Republic and Empire.

FEATURES
• Provides an up-to-date and comprehensive treatment of conflict in the ancient Greek and Roman worlds that relates warfare to society, politics, economy, and culture

SARA E. PHANG, PhD, is an independent scholar who is currently employed as a librarian.

IAIN SPENCE, CSC, RFD, PhD, prior to retirement was head of the School of Classics, History, Philosophy and Religion at the University of New England, Australia.

DOUGLAS KELLY, PhD, taught in classics and ancient history for many years at Macquarie University in Sydney and at the Australian National University in Canberra, Australia.

PETER LONDEY, PhD, is a lecturer in the Centre for Classical Studies at the Australian National University, Canberra, Australia.

Understanding U.S. Military Conflicts through Primary Sources

4 VOLUMES | JAMES R. ARNOLD AND ROBERTA WIENER, EDITORS

Primary source analysis is a valuable tool that teaches students how historians utilize documents and interpret evidence from the past. This four-volume reference traces key decisions in U.S. military history—from the Revolutionary War through the 21st-century conflicts in Afghanistan and Iraq—by examining documents relating to military strategy and national policy judgments by U.S. military and political leaders.

FEATURES
• Covers benchmark documents in U.S. diplomatic and military history from 14 conflicts
• Utilizes document introductions and scholarly analysis to help students understand the primary source materials
• Supports document-based teaching and learning strategies
• Ties into Common Core critical thinking guidelines commonly used in high school history courses for document analysis
• Helps students understand the difference between original source material and unsourced claims made on the Internet

JAMES R. ARNOLD is the author of more than 30 books devoted to military and political history.

ROBERTA WIENER is managing editor of the Journal of Military History.

eBook: 978-1-4408-3675-6

The Iraq War (2003–2011) was the most significant conflict in the early 21st century. This book examines the ongoing importance of this war for the Middle East and the world today through first-person accounts of the war and primary source documents.

FEATURES

• Provides readers with an understanding of the causes of successes and failures in Iraq and how these events contributed to the volatility of the Middle East in the early 21st century
• Includes dozens of primary source documents, such as presidential speeches, congressional testimony, and interviews with U.S., Iraqi-American, and British officers who deployed and fought throughout the country of Iraq

BRIAN L. STEED is a U.S. Army lieutenant colonel and a military history instructor at the U.S. Army Command and General Staff College as well as a Middle East foreign area officer.
With its authoritative reference entries, multiple introductory and perspective essays, primary source documents, detailed chronology, and bibliography, this single-volume reference provides all the key information readers need to understand this monumental conflict.

This book provides students with an understanding of the motives behind the Japanese attack on Pearl Harbor and the consequences of this action on Japan, on the United States, and on the outcome of World War II.

This three-volume reference work provides an up-to-date presentation and analysis of the U.S. wars of the 21st century, addressing their backgrounds, causes, courses, and consequences. It serves as an indispensable resource for students seeking to understand the role of the United States in the world today.

This two-volume encyclopedia offers a unique insight into the Civil War from a state and local perspective, showing how the American experience of the conflict varied significantly based on location.

**FEATURES**

- Includes perspective essays on such widely debated topics as what was the primary cause of World War I and whether the conflict made World War II inevitable

**FEATURES**

- Provides an ideal resource for high school and college students as well as interesting reading for general audiences seeking authoritative historical information on the Pearl Harbor attacks

Arab-Israeli Conflict
The Essential Reference Guide
PRISCILLA ROBERTS, EDITOR

“[A]n excellent resource on the event. . . . This volume will be valuable to most public and academic libraries.”
—Booklist, December 1, 2014

Ideal for high school and college-level readers as well as students attending military academies and general audiences, this encyclopedia covers the details of the Persian Gulf War as well as the long-term consequences and historical lessons learned from this important 20th-century conflict.

FEATURES
• Provides a thorough analysis of the Gulf War that explains its causes, course, strategy and tactics, and significance

SPENCER C. TUCKER, PhD, is senior fellow in military history for ABC-CLIO and the author or editor of more than 50 books and encyclopedias, many of which have received major awards.

“An enlightening assessment of Middle Eastern power struggles, Roberts’ resource covers a labyrinthine topic without cluttering the page with acronyms and arcane names and terms. . . . Roberts’ compendium offers a valuable addition to academic and public libraries.”
—Booklist, October 15, 2014

Truly an essential reference for today’s world, this detailed introduction to the origins, events, and impact of the adversarial relationship between Arabs and Israelis illuminates the complexities and the consequences of this long-lasting conflict.

FEATURES
• Provides a comprehensive overview of one of the most complex conflicts in modern times, clarifying its causes and consequences

PRISCILLA ROBERTS is associate professor of history at the University of Hong Kong and honorary director of the University’s Centre of American Studies.

“This excellent set of well-written, concise entries focuses on the major facets of Balkan history, and each writer offers a set of additional readings for further study. . . . Recommended.”
—Choice, March 24, 2015

This authoritative reference follows the history of conflicts in the Balkan Peninsula from the 19th century through the present day.

FEATURES
• Places the conflicts, battles, and wars in perspective through informative “Causes and Consequences” essays
• Features introductions to primary source documents written by a top scholar
• Offers topic finders and a detailed bibliography that will help students conduct research

RICHARD C. HALL, PhD, is professor of history in the department of history and political science at Georgia Southwestern State University.
This insightful encyclopedia examines the most influential commanders who have shaped military history and the course of world events from ancient times to the present.

Modern Genocide: Understanding Causes and Consequences

This comprehensive resource, vetted by a prominent advisory board, provides definitive expertise on the hard-to-teach topic of genocide.

Modern Genocide: Understanding Causes and Consequences includes 300 primary sources that illustrate the process and outcome of genocide, supplying memoirs, narratives, domestic and international legal documents, as well as first-hand accounts that vividly depict the impact of destruction on entire societies as well as on individuals’ lives. These invaluable resources enable students to fully grasp the history and events of each modern genocide, and can be used as a springboard for the discussion of human and civil rights issues.
Modern Genocide
The Definitive Resource and Document Collection
4 VOLUMES | PAUL R. BARTROP AND STEVEN LEONARD JACOBS, EDITORS

"This engaging work will be useful for students and scholars alike because it captures the complexity of genocide and interrogates the broader historical context that produces atrocity. Highly recommended."

—Choice, July 1, 2015

Modern Genocide: The Definitive Resource and Document Collection spans nearly 1,700 pages presented in four volumes and includes more than 120 primary source documents, making it ideal for high school and beginning college students studying modern genocide as part of a larger world history curriculum. The coverage for each modern genocide, from Herero to Darfur, begins with an introductory essay that helps students conceptualize the conflict within an international context and enable them to better understand the complex role genocide has played in the modern world. There are hundreds of entries on atrocities, organizations, individuals, and other aspects of genocide, each written to serve as a springboard to meaningful discussion and further research.

PAUL R. BARTROP, PhD, is an award-winning scholar of the Holocaust and genocide. He is professor of history and director of the Center for Judaic, Holocaust, and Genocide Studies at Florida Gulf Coast University, Fort Myers, FL.

STEVEN LEONARD JACOBS, DHL, holds the Aaron Aronov Endowed Chair of Judaic Studies at the University of Alabama, Tuscaloosa, AL, where he is also associate professor in the Department of Religious Studies.

Resisting the Holocaust
Upstanders, Partisans, and Survivors
PAUL R. BARTROP

What did those who resisted the Nazis during the 1930s through 1945—known now as “the Righteous”—do when confronted with the Holocaust? How did those who resorted to physical acts of resistance to fight the Nazis in the ghettos, the concentration camps, and the forests summon the courage to form underground groups and organize their efforts?

This book presents a comprehensive examination of more than 150 remarkable people who said “no” to the Nazis when confronted by the Holocaust of the Jews. They range from people who undertook armed resistance to individuals who risked—and sometimes lost—their lives in trying to rescue Jews or spirit them away to safety. In many cases, the very act of survival in the face of extreme circumstances was a form of resistance. This important book explores the many facets of resistance to the Holocaust that took place less than 100 years ago, providing valuable insights to any reader seeking evidence of how individuals can remain committed to the maintenance of humanitarian traditions in the darkest of times.

PAUL BARTROP, PhD, is an award-winning scholar of the Holocaust and genocide. He is professor of history and director of the Center for Judaic, Holocaust, and Genocide Studies at Florida Gulf Coast University, Fort Myers, FL.
Bosnian Genocide
The Essential Reference Guide
PAUL R. BARTROP, EDITOR

In the three years of the Bosnian War, well over 100,000 people lost their lives, amid intense carnage. This led to unprecedented criminal prosecutions for genocide, war crimes, and crimes against humanity that are still taking place today. *Bosnian Genocide: The Essential Reference Guide* is the first encyclopedic treatment of the Balkan conflicts of the period from 1991 to 1999. It provides broad coverage of the nearly decade-long conflict, but with a major focus on the Bosnian War of 1992–1995.

**FEATURES**
- Provides nearly 150 entries—written in a clear and concise style by leading international authorities—that summarize the roles of the leaders involved in the Bosnian Conflict of 1992–1995 and beyond as well as contextualizing essays on various facets of the Bosnian Conflicts
- Considers and evaluates the various strategies adopted by members of the international community in trying to bring the war to an end

---

The Armenian Genocide
The Essential Reference Guide
ALAN WHITEHORN, EDITOR

“Teachers, students, researchers, and writers can benefit from this resource’s rich material. . . . Many others have written about particular issues surrounding the genocide, but this is the most recent and comprehensive volume on the topic.”

—Library Journal, September 1, 2015

“The Armenian Genocide has often been considered a template for subsequent genocides and is one of the first genocides of the 20th century. As such, it holds crucial historical significance, and it is critically important that today’s students understand this case study of inhumanity. This book provides a much-needed, long-overdue reference volume on the Armenian Genocide. It begins with seven introductory analytical essays that provide a broad overview of the Armenian Genocide and then presents individual entries, a historical timeline, and a selection of documents.”

—Booklist, October 1, 2015
GENOCIDE, TERRORISM, AND WAR CRIMES

Talking Conflict
The Loaded Language of Genocide, Political Violence, Terrorism, and Warfare
ANA M. WITTMANN

In today’s information era, the use of specific words and language can serve as powerful tools that incite violence—or sanitize and conceal the ugliness of war. This book examines the complex, “twisted” language of conflict.

FEATURES
• Provides readers with an in-depth awareness of how language is often used to sanitize and obfuscate understanding of reality, thereby offering insight into past and ongoing human conflicts from 1900 onward

ANNA M. WITTMANN, PhD, teaches English at the University of Alberta and at Concordia University of Edmonton.

Encountering Genocide
Personal Accounts from Victims, Perpetrators, and Witnesses
PAUL R. BARTROP

Cutting-edge in its scope and approach, this unique volume offers first-person accounts of modern genocides to enable readers to more fully examine genocidal experiences and better understand the horror of such events.

FEATURES
• Examines 10 modern genocides that occurred between 1904 and 2004
• Conveys the story of each genocide through primary source documents that detail historical and contemporary contexts

PAUL R. BARTROP, PhD, is professor of history and director of the Center for Judaic, Holocaust, and Genocide Studies at Florida Gulf Coast University, Fort Myers, FL.

The War on Terror Encyclopedia
From the Rise of Al-Qaeda to 9/11 and Beyond
JAN GOLDMAN, EDITOR

"Goldman . . . has more than 30 years of experience in the intelligence community along with numerous publications in the area; his knowledge and experience are evident in this comprehensive publication. Recommended."
—Choice, March 24, 2015

This fascinating reference chronicles the individuals, operations, and events of the War on Terror around the world, exploring its causes and consequences through the lens of policy, doctrine, and tactics of combat.

JAN GOLDMAN is on the faculty of the Global Education Institute at Georgetown University and an international expert on ethics and intelligence for national security.

NEW

The Central Intelligence Agency
An Encyclopedia of Covert Ops, Intelligence Gathering, and Spies
2 VOLUMES | JAN GOLDMAN, EDITOR

The Central Intelligence Agency is essential in the fight to keep America safe from foreign attacks. This two-volume work traces through facts and documents the history of the CIA, from the people involved to the operations conducted for national security.

FEATURES
• Covers the history of the CIA from its days prior to World War II, when it was known as the Office of Strategic Services (OSS), supplying comprehensive, objective information in a convenient ready reference

JAN GOLDMAN is on the faculty of the Global Education Institute at Georgetown University and an international expert on ethics and intelligence for national security.
World History: Ancient and Medieval Eras

What are the historical origins of the regional conflicts roiling the world today? Who were the earliest North Americans? How could the ancient Egyptians construct pyramids that still confound contemporary builders? This comprehensive database explores these intriguing questions and much more.

World History: The Modern Era

World History: The Modern Era covers a broad range of topics in depth—the evolution of modern Europe since the Renaissance; concurrent developments in Asia, Africa, and the Islamic world; the global impact of the Industrial Revolution; and the last 100 years of conflicts and international cooperation.

AWARD WINNER

2015 Bessie Award, Best High School Social Studies Website—ComputEd Gazette

World History: The Modern Era covers a broad range of topics in depth—the evolution of modern Europe since the Renaissance; concurrent developments in Asia, Africa, and the Islamic world; the global impact of the Industrial Revolution; and the last 100 years of conflicts and international cooperation.
Knowledge of ancient Persia is often gleaned from the writings of the ancient Greek and Romans—two civilizations that viewed the Persians as enemies. This one-of-a-kind reference provides unbiased coverage of the cultural history of the Persian Empire, examining the Median, Achaemenid, Parthian, Kushan, and Sasanian dynasties and tracing the development and maturation of Iranian societies during a period of nearly 1,500 years. As one of the most comprehensive studies on the topic, this historical overview explores the region’s rich past while providing insight into the cultures and civilizations they came to rule and influence.

Using primary sources written and inscribed by the ancient Persians themselves, the encyclopedia studies the pre-Islamic civilizations of Iran in the Middle East, the Caucasus, Central Asia, and the Indian subcontinent. Incorporating contributions from scholars who discuss the rise and fall of various Persian dynasties, the work offers some 180 entries that cover such topics as religion, royal nobility, the caste system, and political assassinations. The content offers perspectives from a variety of disciplines—from anthropology to archaeology, geography, and art history, among other areas.

The Spanish Empire: A Historical Encyclopedia provides students as well as anyone interested in Spain, Latin America, or empires in general the necessary materials to explore and better understand the centuries-long empire of the Iberian kingdom. The work is organized around eight themes to allow the reader the ability to explore each theme through an overview essay and several selected encyclopedic entries. This two-volume set includes some 180 entries that cover such topics as the caste system, dynastic rivalries, economics, major political events and players, and wars of independence. The entries provide students with essential information about the people, things, institutions, places, and events central to the history of the empire. Many of the entries also include short sidebars that highlight key facts or present fascinating and relevant trivia. Additional resources include an introductory overview, chronology, extended bibliography, and extensive collection of primary source documents.
Buildings and Landmarks of Medieval Europe

The Middle Ages Revealed

JAMES B. TSCHEN-EMMONS

Buildings and Landmarks of Medieval Europe: The Middle Ages Revealed makes use of significant buildings as “representative structures” to provide insight into specific cultures, historical periods, or topics of the Middle Ages. The explanations of these buildings’ construction, original intended use and change over time, and design elements allow readers to better comprehend what life in European societies of the past was like, covering social, political, economic, and intellectual perspectives.

FEATyRES

• Supplies fascinating and interactive ways to learn about these buildings and the motivations of the people who created them
• Spotlights buildings and structures that are visually compelling as well as historically significant in order to heighten readers’ interest in the content
• Ideally suited to support the emerging set of Common Core Standards for Social Studies that specifically calls for students to learn how to integrate information from diverse formats and media

Graffiti through History

From Ancient Wall Carvings to Contemporary Street Art

PETER KEEGAN

This fascinating reference takes an unprecedented look at graffiti throughout history, considering what the writing reveals about domestic life, intellect, economy, politics, recreation, and religion of various cultures and periods—from the prehistoric era to Ancient Greece to modern times. Drawing from artistic practices from all over the world, the book provides a thorough introduction to this eclectic art form and illuminates the research skills necessary to unlock its historical and cultural secrets.

Author and educator Peter Keegan presents drawings and inscriptions spanning 25 centuries to shed light on the context under which the work was created; the historical and cultural sources of information the drawings expose; and the skills necessary to “read” graffiti, accurately and critically. The book incorporates a range of descriptive and analytical features, including images of actual graffiti, transcriptions, translations, background information, and commentary.

FEATURES

• Showcases over 40 graffiti examples from across the world
• Illuminates the historical and cultural contexts of particular graffiti examples
• Provides a section on how to analyze graffiti

JAMES B. TSCHEN-EMMONS teaches history at North Idaho College and mythology at Northern Virginia Community College’s Extended Learning Institute.

PETER KEEGAN, PhD, is senior lecturer in Roman history at Macquarie University in New South Wales.

$100.00, £63.00, €79.00
eBook: 978-1-4408-3537-7

Serving students and general readers alike, this encyclopedia addresses the myriad and profound ways foods have shaped the world we inhabit, from prehistory to the present.

FEATURES
- Overviews the foods that have changed the world from prehistory to the present
- Gives attention to the relationships between foods and religious movements, such as the connections between fish, bread, and wine and the rise of Christianity
- Enables readers to grasp the connections between the history of foods and the Columbian Exchange

CHRISTOPHER CUMO, PhD, is the author of three books, three encyclopedias, and some 500 articles, essays, reviews, and short stories, all in print.

Iconic Mexico
An Encyclopedia from Acapulco to Zócalo
2 VOLUMES | ERIC ZOLOV, EDITOR

ABC-CLIO
August 2015, 754pp, 7x10
Print: 978-1-61069-043-0
$189.00, £119.00, €148.00
eBook: 978-1-61069-044-7

Going far beyond basic historical information, this two-volume work examines the deep roots of Mexican culture and their meaning to modern Mexico.

FEATURES
- Provides novel interpretations into well-established elements of Mexican history, politics, and culture
- Supplies reference material that will appeal both to professors and high school teachers preparing for lectures as well as students conducting research
- Discusses important topics of Mexican culture rarely explored by scholars, such as “gringo,” “alebrije,” and “sombrero”

ERIC ZOLOV, PhD, is associate professor of Latin American history at Stony Brook University, NY.

The Ongoing Columbian Exchange
Stories of Biological and Economic Transfer in World History
CHRISTOPHER CUMO

ABC-CLIO
February 2015, 395pp, 7x10
Print: 978-1-61069-795-8
$89.00, £56.00, €70.00
eBook: 978-1-61069-796-5

“An exceptional work to add to public and middle school or high school libraries.”
—Booklist, May 12, 2015

This unique encyclopedia enables students to understand the myriad ways that the Columbian Exchange shaped the modern world, covering every major living organism from pathogens and plants to insects and mammals.

FEATURES
- Represents the only encyclopedia to comprehensively treat the Columbian Exchange and document how this watershed event in history changed the world, not just in North America but worldwide

CHRISTOPHER CUMO, PhD, is the author of three books, three encyclopedias, and some 500 articles, essays, reviews, and short stories, all in print.
All Things Julius Caesar
An Encyclopedia of Caesar’s World and Legacy
2 VOLUMES | MICHAEL LOVANO

“Lovano has designed this work to appeal to high school students and others beginning to explore classical history, and it is well suited for those levels. Recommended.”
—Choice, May 7, 2015

Julius Caesar’s life and example have fascinated and motivated generations of people for nearly 2,000 years. This book explores the people, places, events, and institutions that helped define arguably the most famous individual in the history of Rome.

FEATURES
• Presents information on Julius Caesar that high school students, undergraduates, and general readers will find accessible and useful
• Provides an encyclopedic scope and broad coverage as well as detailed, specific focus on particular topics and themes from Caesar’s world

MICHAEL LOVANO, PhD, is assistant professor of history at St. Norbert College, De Pere, WI.

Mummies around the World
An Encyclopedia of Mummies in History, Religion, and Popular Culture
MATT CARDIN, EDITOR

“A WorldCat subject search reveals that this encyclopedia on mummies is the first one published in the past ten years. . . . Overall, a good introduction to the subject. Recommended.”
—Choice, June 1, 2015

Perfect for school and public libraries, this is the only reference book to combine pop culture with science to uncover the mystery behind mummies and the mummification phenomena.

FEATURES
• Includes photographs, reproductions of ancient art, images from films and television, and a bibliography to encourage further research

MATT CARDIN is an instructor at Ranger College in Ranger, TX.

Famous Assassinations in World History
An Encyclopedia
2 VOLUMES | MICHAEL NEWTON

“[T]his set is a valuable addition to any reference collection. . . . Newton’s synthesis of so much information into an easily accessible format makes this title a strong resource for a wide range of readers. Recommended.”
—Choice, October 1, 2014

“Assassination is an interesting historical topic, making this a worthy purchase for most high school and public library collections.”
—Booklist, August 1, 2014

Representing a unique reference tool for readers interested in history, criminology, or terrorism, this book provides the most complete and up-to-date coverage of assassinations of key figures throughout history and around the world.

MICHAEL NEWTON is a freelance author who has published 266 books since 1977.
ABC-CLIO SERIES

Crossroads in World History

Through a mix of reference entries, primary source documents, and original essays, this series helps readers understand and contextualize events central to world history. Each volume in the series explores a particular turning point in world history and contains a timeline, a historical overview, approximately 50 reference entries, 10 to 15 primary sources, original argumentative essays, and a bibliography. Designed as a series of one-stop resources, the books help students understand the background, causes, and consequences of critical historical events and evaluate original evidence and arguments.

eBook: 978-1-61069-800-9

This book is a valuable resource for understanding the character, development, and consequences of fascist dictatorships.

FEATURES

- Analyzes the rise of fascism in different countries and settings
- Serves as an ideal reference for high school students and undergraduates

PATRICK G. ZANDER, PhD, is assistant professor of history at Georgia Gwinnett College, Atlanta, GA, where he teaches modern British and European history as well as courses on comparative fascism.

**NEW**

The Enlightenment
History, Documents, and Key Questions
WILLIAM E. BURNS

November 2015, 200pp, 6 1/8x9 1/4
Print: 978-1-61069-845-0
$63.00, £40.00, €50.00
eBook: 978-1-61069-846-7

Based on the most recent scholarship, this book provides students and interested lay readers with a basic introduction to key facts and current controversies concerning the Enlightenment.

FEATURES

- Provides the Enlightenment in various formats, thereby enabling students to better understand and fully appreciate its causes and effects

WILLIAM E. BURNS is a history teacher in the Washington, DC, area. He is the author of ABC-CLIO’s The Scientific Revolution: An Encyclopedia and Science in the Enlightenment: An Encyclopedia.
Daily Life through Artifacts presents a collection of objects and artifacts from daily life that shed light on key aspects of social life and culture for specific historical periods or topics. Each artifact is illustrated with large images, showing interesting detail and allowing for close-up study. The series serves to demonstrate how objects and artifacts can be “read” as primary sources to provide greater insight into the people and societies who created and used them. Each title in the series provides guidance with the background material for these objects as well as guidance on how to analyze an object or artifact. Readers will not only learn about the daily life of past societies but also gain the skills of observation and assessment needed to analyze the objects and draw meaningful conclusions from them about their context and significance.

**Sacred Artifacts from around the World**

*JUNE-ANN GREELEY*

November 2016, 252pp, 8 1/2x11
Print: 978-1-4408-3944-3
$100.00, £63.00, €79.00
eBook: 978-1-4408-3945-0

This book provides information on dozens of artifacts from different faith traditions, periods, and cultures that enables students to “read” the artifact critically.

**FEATURES**

- Numerous images help students visualize important religious artifacts from different faith traditions

*JUNE-ANN GREELEY* is associate professor in the Department of Theology and Religious Studies at Sacred Heart University, where she is also director of the Catholic studies program and the Middle Eastern studies program.

**Artifacts from Medieval Europe**

*JAMES B. TSCHEN-EMMONS*

February 2015, 321pp, 8 1/2x11
Print: 978-1-61069-621-0
$100.00, £63.00, €79.00
eBook: 978-1-61069-622-7

“The narrative is on the academic side, making this volume a fine resource on the time period for undergraduate-level students.”

—Booklist, August 26, 2015

Using artifacts as primary sources, this book enables students to comprehensively assess and analyze historic evidence in the context of the medieval period.

**FEATURES**

- Provides a single-volume resource for using medieval artifacts to better understand the long-ago past

*JAMES B. TSCHEN-EMMONS* teaches history at North Idaho College and mythology at Northern Virginia Community College.

**Artifacts from Ancient Rome**

*JAMES B. TSCHEN-EMMONS*

September 2014, 321pp, 8 1/2x11
Print: 978-1-61069-619-7
$100.00, £63.00, €79.00
eBook: 978-1-61069-620-3

“(C)oncise writing, a comprehensive bibliography, and intriguing choices of artifacts. . . . Recommended for high school and college libraries, and university collections that serve students of ancient history.”

—Library Journal, April 6, 2015

When Roman objects and artifacts are properly analyzed, they serve as valuable primary sources for learning about ancient history. This book provides the guidance and relevant historical context students need to see relics as evidence of long-past events and society.

*JAMES B. TSCHEN EMMONS* teaches history at North Idaho College and mythology at Northern Virginia Community College.
How They Lived
An Annotated Tour of Daily Life through History in Primary Sources
2 VOLUMES | JAMES CIMENT

A Day in a Working Life
300 Trades and Professions through History
3 VOLUMES | GARY WESTFAHL

Ideal for history majors, nonhistory majors taking history courses, as well as general readers, this book provides not only the primary documents and artifacts of ordinary people in history, but also annotations that help the reader put them into context and grasp their deeper meaning.

FEATURES
• Examines all of world history from the prehistoric era to the present day, in every region of the world, with a special emphasis on non-Western cultures
• Features valuable material not readily found online, primary sources, and content specifically aligned to Common Core standards

See pages 4–5 for details.

—Booklist, October 15, 2015

Ideal for high school and college students studying history through the everyday lives of men and women, this book offers intriguing information about the jobs that people have held, from ancient times to the 21st century

GARY WESTFAHL is adjunct professor at the University of La Verne in La Verne, California.
The World of Ancient Rome
A Daily Life Encyclopedia
2 VOLUMES
JAMES W. ERMATINGER

This study of Ancient Rome offers a fascinating glimpse of what Roman society was like—from fashion, to food, to politics and recreation—gathered from literary works, art, and archaeological remains.

The World of Ancient Egypt
A Daily Life Encyclopedia
2 VOLUMES | PETER LACOVARA

This absorbing reference covers everyday life in ancient Egypt, spanning a period of more than 5,000 years—from the Stone Age to the advent of Christianity.

Daily Life of Victorian Women
LYDIA MURDOCH

“Murdoch offers a new perspective on the lives of Victorian women. . . . A worthwhile addition to public and academic libraries.”
—Library Journal, December 1, 2013

Explores the complexities of the lived experiences of Victorian women in the home, the workplace, and the empire as well as the ideals of womanhood and femininity that developed during the 19th century.

Daily Life in Colonial Latin America
ANN JEFFERSON AND PAUL LOKKEN

This book offers an examination of everyday life in the Iberian colonies of Central and South America—the indigenous peoples, their Spanish and Portuguese colonizers, and the Africans brought over as slaves.

James W. Ermatinger, PhD, is dean of the college of liberal arts and sciences and professor of history at the University of Illinois Springfield.

Lydia Murdoch is associate professor of history and former director of the Women’s Studies Program at Vassar College.

Ann Jefferson, PhD, is a lecturer in the history department at the University of Tennessee at Knoxville and received her degree in history with a focus on Latin America from the University of Massachusetts at Amherst.

Paul Lokken, PhD, is associate professor of history at Bryant University in Smithfield, RI, and received his degree in Latin American history from the University of Florida.

This important reference work examines trafficking from a geographic perspective and investigates the driving forces behind it and the powers that are trying to curtail the problem.

**Features**
- Provides a comprehensive look at the geography of trafficking as a whole that highlights how different kinds of trafficking are often related
- Supplies a much-needed reference book on a topic that is of perennial interest and often mentioned in media

**FRED M. SHELLEY** is professor of geography and environmental sustainability at the University of Oklahoma.

**REAGAN METZ** is majoring in environmental sustainability at the University of Oklahoma.

---

Natural resource and environmental conflicts have long been issues confronting human societies. This case-based examination of a wide range of natural resource disputes exposes readers to many contemporary examples that offer reasons for both hope and concern.

**Features**
- Provides a “case-based” approach to natural resource conflicts with examples of different scales, including timely cases drawn from the developed and developing world
- Enables readers to reach a broader understanding of the scope of the issues through the variety of topics and cases—one of which is climate change in many of the emerging conflicts

**JOSEPH R. RUDOLPH JR.,** PhD, is professor of political science at Towson University.

---

An indispensable reference that will help students understand the major ethnic conflicts that dominate the headlines and shape the modern world.

**Features**
- Contains updates and revisions to the first edition and new entries on more current conflicts
- Features cases that are both relevant and topical, covering the vast majority of the conflicts that are spilling blood, affecting policies, and shaping the contemporary world
- Includes primary documents that support the text, allowing students to use hard evidence in their research
Trash Talk
An Encyclopedia of Garbage and Recycling around the World
ROBERT WILLIAM COLLIN

This fascinating reference offers a unique take on recycling and trash, tracing the role of waste in public health, climate change, and sustainability around the world.

FEATURES
- Includes comparisons of the waste, public health, and emissions profile for many countries
- Provides a general introduction to the issue of global waste management
- Reveals the various methods of disposal across the world
- Features charts, graphs, and tables that present facts and figures to illustrate key statistics

ROBERT WILLIAM COLLIN, JD, is a senior research scholar at Willamette University.

Ring of Fire
An Encyclopedia of the Pacific Rim’s Earthquakes, Tsunamis, and Volcanoes
BETHANY D. RINARD HINGA

“The author’s engaging and clear writing style and her minimal use of jargon make this a useful introduction to volcanology. Recommended.”
—Choice, August 18, 2015

The author examines natural disasters around the Pacific Rim throughout history together with scientific data context to produce enlightening—and highly readable—entries.

FEATURES
- Features approximately 100 alphabetically arranged entries with insights into specific disasters, technology, key geographic features of the area, significant people, cultural beliefs, and more
- Includes a general introduction and overview of the geography and tectonic activity in the Pacific Rim countries

BETHANY D. RINARD HINGA, PhD, is associate dean for academic affairs at Morningside College, Sioux City, IA.

Earth’s Landscape
An Encyclopedia of the World’s Geographic Features
2 VOLUMES | JOYCE A. QUINN AND SUSAN L. WOODWARD

This unusual encyclopedia brings together in-depth information on more than 450 natural geographic features from around the world and offers an array of creative tools to promote critical thinking and classroom discussion.

FEATURES
- Provides a one-stop reference for students of geography and environmental and earth sciences
- Offers global coverage of diverse features, whether terrestrial, aquatic, geological, ecological, or physiographic
- Includes an overview of the various kinds of landforms of the world, how they are formed, and how they continue to change over time

JOYCE A. QUINN, PhD, is professor emerita of geography at California State University, Fresno.

SUSAN L. WOODWARD, PhD, is professor emerita in the Department of Geospatial Science, Radford University, Radford, VA.
This one-stop reference is a perfect resource for anyone interested in the North and South Poles, whether their interest relates to history, wildlife, or the geography of these regions in the news today.

ANDREW J. HUND, MA, PhD, is assistant professor of sociology at the United Arab Emirates University in Al Ain, the UAE.

Oil
A Cultural and Geographic Encyclopedia of Black Gold
2 VOLUMES | XIAOBING LI AND MICHAEL MOLINA, EDITORS

“[A]n appropriate addition for larger public libraries and for academic libraries as a starting point for undergraduate inquiry into the social and cultural implications of this limited natural resource.”

—Booklist, February 11, 2015

Despite ongoing efforts to find alternatives, oil is still one of the most critical—and valuable—commodities on earth. This two-volume set provides extensive background information on key topics relating to oil, profiles countries that are major producers and consumers of oil, and examines relevant political issues.

XIAOBING LI is professor at the University of Central Oklahoma.

MICHAEL MOLINA is a doctoral candidate and researcher at the University of Oklahoma.

America Goes Green
An Encyclopedia of Eco-Friendly Culture in the United States
3 VOLUMES
KIM KENNEDY WHITE, EDITOR
LESLIE A. DURAM, CONTRIBUTING EDITOR

“This is a topical, well-rounded set that is recommended for most libraries.”

—Booklist, February 15, 2013

This three-volume encyclopedia explores the evolution of green ideology and eco-friendly practices in contemporary American culture, ranging from the creation of regional and national guidelines for green living to the publication of an increasing number of environmental blogs written from the layperson’s perspective.

KIM KENNEDY WHITE, PhD, is acquisitions editor for ABC-CLIO’s The American Mosaic database.

LESLIE A. DURAM, PhD, is professor and chair of the department of geography and environmental resources at Southern Illinois University.

Encyclopedia of Cultivated Plants
From Acacia to Zinnia
3 VOLUMES | CHRISTOPHER CUMO, EDITOR

“This encyclopedia provides a useful overview of its topic and can serve as a jumping-off point for further research.”

—Library Journal
August 1, 2013

Readers of this expansive, three-volume encyclopedia will gain scientific, sociological, and demographic insight into the complex relationship between plants and humans across history.

CHRISTOPHER CUMO, PhD, is an independent scholar who has authored three books and a number of articles, essays, reviews, and short stories.
Border Disputes
A Global Encyclopedia
3 VOLUMES
EMMANUEL BRUNET-JAILLY, EDITOR

An ideal resource for anyone studying current events, social studies, geopolitics, conflict resolution, and political science, this three-volume set provides broad coverage of approximately 80 current international border disputes and conflicts.

FEATURES
• Supplies introductory essays at the beginning of each volume that explain the type of dispute to be examined, providing students with a solid foundation as they examine the case study entries
• Includes excerpts and full text of important primary source documents such as key court rulings and treaties resolving border disputes
• Supports the national geography standards curriculum for high school students as well as the Advanced Placement (AP) human geography topics

EMMANUEL BRUNET-JAILLY, PhD, is professor in the School of Public Administration at the University of Victoria, British Columbia, Canada.

Governments around the World
From Democracies to Theocracies
FRED M. SHELLEY, EDITOR

“Students and nonspecialists alike will find this work very useful; it is suitable for both public and academic libraries. Recommended.”
—Choice, July 1, 2015

“[A] great introduction to a complicated and multifaceted topic and an accessible starting point for those seeking to gain understanding of the complexity of issues related to population and the global implications.”
—Booklist, May 1, 2015

This one-volume encyclopedia examines key topics, major world players, and imminent problems pertaining to the world’s ever-growing population.

FEATURES
• Provides interesting facts and figures through informative sidebars

FRED M. SHELLEY is professor of geography and environmental sustainability at the University of Oklahoma.

The World’s Population
An Encyclopedia of Critical Issues, Crises, and Ever-Growing Countries
FRED M. SHELLEY

“Students and nonspecialists alike will find this work very useful; it is suitable for both public and academic libraries. Recommended.”
—Choice, July 1, 2015

“[A] great introduction to a complicated and multifaceted topic and an accessible starting point for those seeking to gain understanding of the complexity of issues related to population and the global implications.”
—Booklist, May 1, 2015

This one-volume encyclopedia examines key topics, major world players, and imminent problems pertaining to the world’s ever-growing population.

FEATURES
• Provides interesting facts and figures through informative sidebars

FRED M. SHELLEY is professor of geography and environmental sustainability at the University of Oklahoma.
The Understanding Modern Nations series profiles individual nations that are of high interest to high school students and undergraduates, focusing on countries that are highly studied in school as well as countries that have made major headlines in recent years.

General overviews of each topic provide students with a basic foundation on the subject, and entries pertaining to the topic, such as biographies of significant people in the field, iconic events, and key ideas, follow each overview.

Each volume provides
• Geography
• History
• Politics
• Government

Fulfilling the need for English-source material on contemporary Spain, this book supplies readers with an in-depth, interdisciplinary guide to the country of Spain and its intricate, diverse culture.

Features
• Serves as a general reference guide to Spain that presents historical information as well as details about everyday life in modern-day Spain
• Covers a huge variety of topics ranging from sports and literature to gastronomy and geography
• Addresses virtually every issue and concern related to 21st-century Spain
• Provides the most up-to-date facts in a fair, unprejudiced manner

ENRIQUE ÁVILA LÓPEZ, PhD, is Cross-Appointed Associate Professor in the Departments of Humanities and General Education at Mount Royal University in Calgary, Canada.

Modern Spain

Providing an indispensable resource for students, educators, businessmen, and officials investigating the transformative experience of modern China, this book provides a comprehensive summary of the culture, institutions, traditions, and international relations that have shaped today’s China.

Features
• Covers contemporary Chinese politics, economy, geography, law, education, culture, and history, providing readers with a breadth of insights into modern China and its people
• Addresses a variety of current issues such as pollution, corruption, human trafficking, human rights, civil liberties, and the one-child policy

XIAOBING LI, PhD, is professor and chair of the department of history and geography and director of the Western Pacific Institute at the University of Central Oklahoma, Edmond.

Modern China
XIAOBING LI
How did Poland and Slovakia avoid a GDP recession during the worldwide financial crisis of 2007–08—the only two member nations of the European Union to do so? What are the historic origins of the ongoing strife and tension in the Middle East, and what new developments and factors are adding to the discord in the 21st century? How are the lives of the Chinese people changing as China rapidly expands its economy and its international role? Students, travelers, business people, and policymakers have questions like these. ABC-CLIO’s Nations in Focus provides the answers.

Nigeria
TOYIN FALOLA AND BUKOLA ADEYEMI OYENIYI

February 2015, 412pp, 7x10
Print: 978-1-59884-968-4
$89.00, £56.00, €70.00
eBook: 978-1-59884-969-1

“The sources complement one another, with the dictionary presenting topics in an A–Z fashion and the work under review written primarily in narrative form. . . . Recommended.”
—Choice, July 23, 2015

“The information is accurate, clearly presented, and easy to locate, making this a recommended resource for large public and academic libraries.”
—Booklist, May 12, 2015

Written by leading experts in African studies, this broad introduction to Nigeria follows the history of the republic from the early period to the present day.

TOYIN FALOLA, PhD, is a university distinguished teaching professor at the University of Texas at Austin.
BUKOLA ADEYEMI OYENIYI is assistant professor of African history at Missouri State University, Springfield, MO.

NEW
Brazil
ANTONIO LUCIANO DE ANDRADE TOSTA AND EDUARDO F. COUTINHO, EDITORS

December 2015, 414pp, 7x10
Print: 978-1-61069-257-1
$89.00, £56.00, €70.00
eBook: 978-1-61069-258-8

Ideal for high school and undergraduate students, this one-stop reference explores everything that makes up modern Brazil, including its geography, politics, pop culture, social media, daily life, and much more.

FEATURES
• Provides a one-stop reference for students of geography, world cultures, anthropology, social studies, current events, and Latin American studies
• Differs from other works in that it combines coverage of the geography, history, politics, and economy of Brazil with entries on society, culture, and contemporary issues

ANTONIO LUCIANO DE ANDRADE TOSTA, PhD, is assistant professor of Brazilian literature and culture at the University of Kansas.
EDUARDO F. COUTINHO, PhD, is professor of comparative literature at the Federal University of Rio de Janeiro, Brazil.
Mapping the World through Primary Documents provides students with firsthand accounts and interpretations of geography of the past: the land over which explorers trekked, the people they met and cultures to which they were exposed, the animals they discovered, and their other experiences in new lands. This series is key to supporting Common Core Standards relating to primary source analysis as well as National Geography Standards, including how to apply geography to interpret the past and understanding the processes, patterns, and functions of human settlement. Students in geography, American history, and social studies classes will find the series extremely useful.

**SERIES FEATURES**

- Examines the lives and geographic and cultural observations of early American explorers as well as explorers on other continents
- Presents multiple document excerpts for the 10 explorers in each volume, thereby providing students with a wide range of coverage, from early observations on never-before-seen animals to detailed descriptions of the land and meeting native peoples
- Enables readers to better understand the initial observations and thoughts of geographers of various time periods, appreciate the motivations and methods of early explorers and geographers, and grasp how early settlements were started
- Covers key explorers such as Lewis and Clark, John C. Fremont, Ibn Battuta, Marco Polo, James Cook, John Smith, Sir Walter Raleigh, and Zheng He, and underscores how the geographic records created by these individuals shaped the political and cultural polices of the regions

**FORTHCOMING**

**Explorers of the Maritime Pacific Northwest**

Mapping the World through Primary Documents

WILLIAM L. LANG AND JAMES V. WALKER

May 2016, 302pp, 8 1/2x11
Print: 978-1-61069-925-9
$108.00, £68.00, €85.00
eBook: 978-1-61069-926-6

Covering the adventures of coastal and ocean explorers who made key discoveries and landmark observations from northern California up the coastline to Alaska during the mid-1700s to the early 1800s, this anthology of primary source journal entries, book excerpts, maps, and drawings enables readers to “discover” the Northwest Coast for themselves.

WILLIAM L. LANG is professor emeritus of history at Portland State University and founding editor of The Oregon Encyclopedia.

JAMES V. WALKER is a retired physician and map collector living in Eugene, OR, with research interests focusing on the Pacific Northwest and early 19th-century Trans-Mississippi West material.

**FORTHCOMING**

**Explorers of the American West**

Mapping the World through Primary Documents

JAY H. BUCKLEY AND JEFFERY D. NOKES

March 2016, 322pp, 8 1/2x11
Print: 978-1-61069-731-6
$100.00, £63.00, €79.00
eBook: 978-1-61069-732-3

With original primary source documents, this anthology brings readers into the vast unknown 19th-century American West—through the eyes of the explorers who saw it for the first time.

**FEATURES**

- Collects primary source materials such as journal entries, book excerpts, and maps from various 19th-century American explorers, enabling readers to “discover” the vast unknown American West, as seen for the first time by those of European descent

JAY H. BUCKLEY, PhD, is associate professor of history at Brigham Young University, Provo, UT.

JEFFERY D. NOKES, PhD, is associate professor of history at Brigham Young University, Provo, UT.
Music around the World
A Global Encyclopedia
4 VOLUMES | ANDREW R. MARTIN AND MATTHEW MIHALKA

A perfect resource for students and music enthusiasts alike, this expansive four-volume set provides readers with multidisciplinary perspectives on the music of countries and ethnic groups from around the globe. Students will find *Music around the World: A Global Encyclopedia* extremely accessible and useful in their research, not only for music history and music appreciation classes but also for geography, social studies, language studies, and anthropology. Additionally, general readers will find the books appealing and an invaluable general reference on world music.

FEATURES
- Presents information that is accessible for general readers but will also be useful to specialists and music scholars
- Examines music from a geographical and cultural viewpoint, allowing students to make cross-cultural comparisons
- Includes numerous sidebars and appendices that provide even more compelling information of interest to readers, such as information on top-selling artists and albums in various countries, biographies of well-known musicians, and other fascinating “fun facts” and statistics

Celebrating Life Customs around the World
From Baby Showers to Funerals
3 VOLUMES | VICTORIA WILLIAMS

This three-volume encyclopedia covers more than 300 birth, life, and death customs, with the books’ content organized chronologically by life stage. Volume 1 focuses on birth and childhood customs, Volume 2 documents teen and early-adulthood customs, and Volume 3 looks at aging and death customs. The entries in the first volume examine pre-birth traditions, such as baby showers and other gift-giving events, and post-birth customs, such as naming ceremonies, child-rearing practices, and traditions performed to ward off evil or promote good health. The second volume contains information about rites of passage as children become adults, including indigenous initiations, marriage customs, and religious ceremonies. The final volume concludes with coverage on customs associated with aging and death, such as “over the hill” celebrations, elaborate funeral processions, and the creation of fantasy coffins. The set includes an appendix of excerpts from primary documents that include legislation on government-accepted names, wedding vows, and maternity/paternity leave regulations.
Africa
An Encyclopedia of Culture and Society
3 VOLUMES | TOYIN FALOLA AND DANIEL JEAN-JACQUES, EDITORS

Unparalleled in its coverage of contemporary customs in all of Africa, this multivolume set is perfect for both high school and public library shelves. The three-volume encyclopedia will provide readers with an overview of contemporary customs and life in North Africa and sub-Saharan Africa through discussions of key concepts and topics that touch everyday life among the nations’ peoples.

FEATURES
• Supplies entries that are more extensive than in most comparable encyclopedic works
• Arranges content alphabetically by country, then by topic, with suggestions for further reading following each
• Includes contributions from numerous eminent scholars of African history
• Provides a clear African voice via entries from scholars from the African continent

TOYIN FALOLA, PhD, is a university distinguished teaching professor and holder of the Jacob & Frances Sanger Mossiker Chair in the Humanities at the University of Texas at Austin.

DANIEL JEAN-JACQUES is a graduate student at the University of Texas at Austin, where he studies the history of science in late colonial Nigeria.

Folktales and Fairy Tales
Traditions and Texts from around the World
Second Edition | 4 VOLUMES
EDITED BY ANNE E. DUGGAN AND DONALD HAASE, WITH HELEN J. CALLOW

Folktales and fairy tales have long played an important role in cultures around the world. They pass customs and lore from generation to generation, provide insights into the peoples who created them, and offer inspiration to creative artists working in media that now include television, film, manga, photography, and computer games. This second, expanded edition of an award-winning reference will help students and teachers as well as storytellers, writers, and creative artists delve into this enchanting world and keep pace with its past and its many new facets.

FEATURES
• Provides encyclopedic coverage of folktales and fairy tales from around the globe
• Covers not only the history of the fairy tale, but also topics of contemporary importance such as the fairy tale in manga, television, pop music, and music videos
• Brings together the study of geography, culture, history, and anthropology
• Revises and expands an award-winning work to now include a full volume of selected tales and texts

ANE E. DUGGAN is professor of French and chair of the Department of Classical and Modern Languages, Literatures, and Cultures at Wayne State University.

DONALD HAASE is professor of German and senior associate dean in the College of Liberal Arts and Sciences at Wayne State University.

**Interpreting Our World**
100 Discoveries That Revolutionized Geography

JOSEPH J. KERSKI

ABC-CLIO
September 2016, 416pp, 7x10
Print: 978-1-61069-919-8
$89.00, £56.00, €70.00
eBook: 978-1-61069-920-4

This important book demonstrates why geography matters in the modern-day world through its examination of 100 moments throughout history that had a significant impact on the study of geography—literally, “writing about the earth.”

**FEATURES**
- Provides readers with an understanding of why geography matters to our 21st-century world and an awareness of how geography affects our everyday lives and is key to wise decision making
- Addresses and explains key themes of geography, including scale, physical processes, cultural processes, patterns, relationships, models, and trends

JOSEPH J. KERSKI, PhD, is a geographer who teaches online and face-to-face courses at primary and secondary schools, through massive open online courses (MOOCs) as well as via universities such as Sinte Gleska University, Elmhurst College, and the University of Denver.

Food and Family around the World

KEN ALBALA, EDITOR

GREENWOOD
April 2016, 356pp, 7x10
Print: 978-1-61069-737-8
$89.00, £56.00, €70.00
eBook: 978-1-61069-738-5

What’s for dinner? Not just in America, but around the world? And how is it cooked, what’s the historical significance of that food, how is it served and consumed, and who gets to clean up? This book provides fascinating insight into how dinner is defined in countries around the world.

**FEATURES**
- Provides intimate insights into a broad range of international food habits, thereby affording readers a glimpse into the daily lives of people around the world and offering immense opportunities for cross cultural comparisons
- Compares cooking methods, gender roles regarding food and meals, and the places of children or extended relatives at meal time
- Underscores how food culture is universally and intrinsically related to ethnicity, family, and meal-time tradition

KEN ALBALA is professor of history and director of food studies at the University of the Pacific.
Minicars, Maglevs, and Mopeds
Modern Modes of Transportation around the World

SELIMA SULTANA AND JOE WEBER, EDITORS

ABC-CLIO
April 2016, 389pp, 7x10
Print: 978-1-4408-3494-3
$89.00, £56.00, €70.00
eBook: 978-1-4408-3495-0

This book provides a fascinating look at the amazing diversity of forms of travel and transport around the world today in the context of cultures, politics, economics, and environment of a place.

FEATURES
• Highlights many exciting new technologies that will shape the future of transportation in the United States and globally
• Incorporates information about green modes of transport (and fuels) and environmental issues related to transport

SELIMA SULTANA, PhD, is professor of geography at the University of North Carolina at Greensboro, NC.
JOE WEBER, PhD, is professor of geography at the University of Alabama, Tuscaloosa, AL.

Etiquette and Taboos around the World
A Geographic Encyclopedia of Social and Cultural Customs

KEN TAYLOR, EDITOR

GREENWOOD
September 2016, 457pp, 7x10
Print: 978-1-4408-3820-0
$100.00, £63.00, €79.00
eBook: 978-1-4408-3821-7

An interesting resource for learning about the cultural differences and characteristics of people across the globe, this encyclopedia covers the “do’s” and “don’ts” of a breadth of countries and major ethnic groups.

FEATURES
• Provides comprehensive coverage of many of the world’s countries and cultures that enables readers to make insightful cross-cultural comparisons
• Directly supports the National Geography Standards by examining cultural mosaics
• Provides relevant and useful information for readers preparing for study-abroad excursions or other international travel

KEN TAYLOR, PhD, is professor of urban missions at New Orleans Baptist Theological Seminary.

GREENWOOD
March 2016, 434pp, 7x10
Print: 978-1-4408-3860-6
$89.00, £56.00, €70.00
eBook: 978-1-4408-3861-3

This comprehensive collection of folk hero tales builds on the success of the first edition by providing readers with expanded contextual information on story characters from the Americas to Zanzibar.

FEATURES
• Supplies entries on folk tale characters worldwide that identify related heroes and heroines and provide additional contextual information
• Features a geographical organization that enables readers to research a specific region’s folk characters

GRAHAM SEAL is an Australian folklorist who teaches at Curtin University of Technology, Perth, Western Australia.
KIM KENNEDY WHITE, PhD, is an independent folklorist and senior acquisitions editor for race and ethnicity at ABC-CLIO.
Global Happiness
A Guide to the Most Contented (and Discontented) Places around the Globe
ROMAN ADRIAN CYBRIWSKY

An authoritative, comprehensive, and highly accessible assessment of the happiest and least happy countries and cities in the world, as well as of the happiest and least happy cities and states in the United States.

FEATURES
• Synthesizes and evaluates the maze of existing rankings of cities and countries in the world with fresh and original information to produce a novel assessment of the geography of global happiness

ROMAN ADRIAN CYBRIWSKY, PhD, is professor of geography and urban studies at Temple University, Philadelphia, PA. He is the author of ABC-CLIO’s Capital Cities of the World: An Encyclopedia of Geography, History, and Culture.

Sweet Treats around the World
An Encyclopedia of Food and Culture
TIMOTHY G. ROUFS AND KATHLEEN SMYTH ROUFS

From apple pie to baklava, cannoli to gulab jamun, sweet treats have universal appeal in countries around the world. This encyclopedia provides a comprehensive look at global dessert culture.

FEATURES
• Discusses iconic desserts and sweet treats in their cultural and historical contexts in North and Latin America; the Caribbean; Europe; North Africa and the Middle East; Sub-Saharan Africa; Central, South, and East Asia; and the Pacific

TIMOTHY G. ROUFS, PhD, is professor of anthropology at the University of Minnesota Duluth.

JAVIER A. GALVÁN, PhD, is professor of Spanish and history at Santa Ana College. His published work includes ABC-CLIO’s Culture and Customs of Bolivia.

In recent decades, tattoos have gone from being a subculture curiosity in Western culture to mainstream and commonplace. This two-volume set provides broad coverage of tattooing and body art in the United States today as well as around the world and throughout human history.

FEATURES
• Provides the most complete global overview of tattooing and body art as it exists today and throughout history, available in one resource

MARGO DEMELLO, PhD, is adjunct professor of anthropology and sociology at Central New Mexico Community College, Albuquerque, NM, and adjunct professor of anthrozoology at Canisius College, Buffalo, NY.

This single-volume work covers many traditions, customs, and activities Westerners may find unusual or shocking, covering everything from the Ashanti people’s funeral celebrations to wife-carrying competitions in Finland.
Weird Sports and Wacky Games around the World
From Buzkashi to Zorbing

VICTORIA WILLIAMS

“The content is quite readable, and the book will find an audience among general readers, making this a good choice for circulating collections.”

—Booklist, August 26, 2015

With hundreds of books dedicated to conventional sports and activities, this encyclopedia on the weirdest and wackiest games offers a fresh and entertaining read for any audience.

VICTORIA WILLIAMS, PhD, is an independent writer and researcher living in London, England.

Soccer around the World
A Cultural Guide to the World’s Favorite Sport

CHARLES PARRISH AND JOHN NAURIGHT

“Overall, this is a good historical summary of the global significance of the game of soccer. Recommended.”

—Choice, December 1, 2014

Two leading sports authorities explore the culture of soccer around the world, considering the sport as a means to better understand a society’s past, present, and future.

CHARLES PARRISH is a lecturer and research assistant in the School of Recreation, Health, and Tourism at George Mason University.

JOHN NAURIGHT, PhD, is professor of sport and leisure cultures in the School of Sport and Service Management at the University of Brighton, UK.

Ethnic Groups of North, East, and Central Asia
An Encyclopedia

JAMES B. MINAHAN

“There is a lot of information to be gained from this title and it is recommended for school and undergraduate libraries.”

—ARBA, April 1, 2014

Covering countries ranging from Afghanistan and China to Kazakhstan and Russia, this encyclopedia supplies detailed information and informed perspectives, enabling readers to comprehend Asian ethnic groups as well as Asian politics and history.

JAMES B. MINAHAN is an independent scholar who has written a number of reference books on international statehood and identity, including ABC-CLIO’s Ethnic Groups of South Asia and the Pacific: An Encyclopedia.

The World Cookbook
The Greatest Recipes from around the Globe

Second Edition | 4 VOLUMES

JEANNE JACOB AND MICHAEL ASHKENAZI

“This set features over 1,600 recipes—approximately 8 per country, with some 400 recipes new to this edition. . . . Recommended.”

—Choice, May 28, 2014

This is the only world cookbook in print that explores the foods of every nation-state across the globe, providing information on special ingredients, cooking methods, and commonalities that link certain dishes across different geographical areas.

JEANNE JACOB is an agronomist and researcher on tropical agroecology, ethnobotany, and phytochemistry.

MICHAEL ASHKENAZI, PhD, is a senior researcher at the Bonn International Center for Conversion.
Entertainment and Society around the World enables students to learn about world geography through a very different lens: that of pop culture, be it the power couples of Bollywood, the biggest pop music stars of Japan, or the hottest Nigerian “Nollywood” actor. Students will see beyond the world of U.S. celebrities and learn about how globalization has affected and changed pop culture around the world. Pop culture—while a huge part of life in the United States—is a very new idea in many countries. This series will help students to understand not just material culture, but also about daily life in other regions of the world.

The volumes are consistently organized with sections on music, books, movies, television/radio, Internet, sports, video games, and fashion/couture. Each section begins with a general introduction to the topic and is followed by short entries on key ideas, concepts, and people relating to that topic.

This series allows students to examine the stars, idols, and fads of other countries, thereby providing readers with an understanding of the globalization of pop culture—even showing students the birth, rise, and growing influence of pop culture in more developing worlds.

Pop Culture in Latin America and the Caribbean
ELIZABETH GACKSTETTER NICHOLS AND TIMOTHY R. ROBBINS

This insightful book introduces the most important trends, people, events, and products of popular culture in Latin America and the Caribbean.

FEATURES
- Explores controversial issues like censorship, gender, cultural imperialism, and globalization
- Allows for cross-cultural comparisons between Latin America, the Caribbean, and the United States
- Enables quick access to areas of interest through well-organized entries and helpful topic introductions

ELIZABETH GACKSTETTER NICHOLS, PhD, is chair of the Department of Languages and professor of Spanish at Drury University.
TIMOTHY R. ROBBINS, PhD, is assistant professor of Spanish at Drury University.

Pop Culture in North Africa and the Middle East
ANDREW HAMMOND

Ideal for students and general readers, this single-volume work serves as a ready-reference guide to pop culture in countries in North Africa and the Middle East, covering subjects ranging from the latest young adult book craze in Egypt to the hottest movies in Saudi Arabia.

FEATURES
- Allows readers to make cross-cultural comparisons by relating pop culture in the Islamic world to pop culture in the United States
- Supplies highly relatable content for young adult readers that is presented in a fun and engaging way

ANDREW HAMMOND is a journalist who has written extensively about the Middle East, reporting from many countries, including Egypt, Sudan, Israel and the occupied territories, and Iraq.

This thought-provoking database does more than provide simple lists of information and keyword searches. It helps researchers to make connections between current events and their historical roots.

**FEATURES**

- The Perspectives and Idea Exchange (Academic version) sections support student inquiry into historical and modern dilemmas, such as “To what extent does anyone have the right to censor the Internet?” and “Should the federal government preserve or conserve natural resources?”
- A wide variety of primary sources provides historical context for the issues, including President Lyndon Johnson’s Voting Rights speech, transcripts of court cases (e.g. *Gitlow v. New York*, 1925), and over 4,000 images and hundreds of audio and visual files, including animation of the Indonesian tsunami of 2004.
Gun Politics in America
Historical and Modern Documents in Context
2 VOLUMES | HARRY L. WILSON

Offering the most complete collection of primary documents on the subject of guns and gun politics, this two-volume set will give readers a comprehensive, unbiased understanding of the complex and often-surprising evolution of gun ownership, gun culture, and gun politics in the United States. This fascinating history is examined through approximately 150 primary source documents from the Colonial era to the present day. Each section opens with an informative headnote that provides important context for understanding the social and political milieu in which the document was created.

FEATURES
• Includes coverage of gun control issues and politics from the Colonial era through the Sandy Hook shooting and its aftermath
• Gives readers the benefit of reading each actual document, law, or court case and learning about the context in which it was written
• Helps readers understand the cultural and political developments that brought America to its current stalemate over guns and gun policies

Endangered Species
A Documentary and Reference Guide
EDWARD P. WEBER

In this thought-provoking work, author Edward P. Weber examines the values, policies, challenges, and approaches to endangered species conservation over the past 200 years. Using primary source documents and in-depth analysis of the issues, the reference tracks the evolution of species protection and conservation in the United States, and offers a brief look at global programs in the United States and other parts of the world. The book surveys how different countries are faring in protecting their plant and animal life, and considers which guidelines and programs hold the most promise for success in the future.

FEATURES
• Analyzes the connections between human behavior, industrialization, modernization, and public policy, and examines the impact of these factors on various species
• Integrates a breadth of topics including economics, history, philosophy, sociology, and politics and policymaking
• Explores historic events and major points of contention in species protection efforts
• Suggests possible policy approaches and reforms that can make existing policies more effective in tackling the challenges of stemming species decline
Energy and American Politics
A Documentary and Reference Guide
MELISSA POWERS

In Energy and American Politics: A Documentary and Reference Guide, readers will find essential primary documents that illuminate historic turning points in American energy policy. It presents the background knowledge necessary to understand the ways in which politics have influenced—and continue to shape—America’s energy choices. By examining these documents, users of this accessible guide can fairly assess the economic, environmental, and national security implications of all energy alternatives, including fossil fuels like oil, coal, and natural gas (especially from fracking) as well as so-called renewables such as solar, wind, and nuclear power.

FEATURES
- Frames the central arguments of lawmakers, activists, industries, and scientists arguing for and against various energy sources via informative primary documents
- Presents authoritative and impartial information that provides vital context for readers to fully understand the circumstances under which the featured primary sources were created
- Examines the implications of conventional and alternative energy sources, including oil, gas, coal, solar, wind, and nuclear power

Proud Heritage
People, Issues, and Documents of the LGBT Experience
3 VOLUMES | CHUCK STEWART, EDITOR

“The primary documents greatly facilitate the aim of ‘filling in the blanks and silences of a past that has always been queerer than heteropatriarchal histories have acknowledged,’ as contributor Christopher Lozensky writes. . . . Recommended.”

—Choice, June 1, 2015

“A valuable resource for public, high school, and academic libraries, Stewart’s encyclopedia places in context the growing decriminalization and approbation of varied forms of sexuality.”

—Booklist, March 24, 2015

With the social, religious, and political stigmas attached to alternative lifestyles throughout history, most homosexuals, bisexuals, and transgender people lived covertly for much of, if not all of, their lives. Likewise, the narrative of our country excludes the contributions, struggles, and historical achievements of this group. This revealing, chronologically arranged reference work uncovers the rich story of the LGBT community in the United States and discusses the politics, culture, and issues affecting it since the early 17th century.

American Government

ONLINE REFERENCE AND RESEARCH RESOURCES
AVAILABLE IN BOTH ACADEMIC AND SCHOOL VERSIONS

American Government explains the foundations of our government, connects these concepts to the issues of the day, and examines the strengths and weaknesses of the political and economic systems of the United States by comparing them to those of other countries.

FEATURES

• Contains over 13,000 primary and secondary sources, including 2,700 documents, 5,000 images, 250 maps, and 350 audio/video recordings
• Presents over 2,300 biographies, including portraits of important historical and current government figures such as the Founding Fathers, U.S. presidents, and Supreme Court justices, as well as a continually updated roster of key federal bureaucrats, state governors, and members of the U.S. House of Representatives and Senate
• Over 400 video learning modules strategically designed to provide essential context for understanding complex topics

The United States is deeply divided on issues like national security, civil rights, immigration, and health care reform. American Government not only provides quick access to reliable sources on these subjects but also fosters information literacy on these important topics that are essential for the success of any student—regardless of age or grade level.

Why Don’t Americans Vote?
Causes and Consequences
BRIDGETT A. KING AND KATHLEEN HALE

This timely book provides a thought-provoking discussion of issues that influence voter registration and turnout in contemporary America.

FEATURES
• Provides readers with the historical context of registration and voting in the United States
• Offers a broad overview of these issues today
• Showcases the various ways federal and state governments have responded to low voter turnout
• Helps readers make their own educated assessment of the concerns discussed

BRIDGETT A. KING, PhD, is assistant professor of political science at Auburn University, Auburn, AL, and an instructor in the Election Center’s Certified Elections/Registration Administrator (CERA) program.
KATHLEEN HALE, JD, PhD, is associate professor of political science and director of the MPA program at Auburn University, Auburn, AL.

Contemporary Supreme Court Cases
Landmark Decisions since Roe v. Wade
Second Edition | 2 VOLUMES
DONALD E. LIVELY AND D. SCOTT BROYLES

With its blend of accessible writing and actual excerpts from Court opinions, this book serves to explain the legal and cultural underpinnings of landmark U.S. Supreme Court decisions of the past 35 years—and to illuminate how these decisions have shaped the trajectory and character of modern American society.

FEATURES
• Provides comprehensive, objective, and accessible coverage of major Supreme Court decisions since the early 1970s
• Presents easy-to-understand breakdowns of competing perspectives on contemporary constitutional issues that illuminate divisions within the Court

DONALD E. LIVELY, JD, is president of Arizona Summit Law School.
D. SCOTT BROYLES, JD, PhD, is associate professor of law at the Charlotte School of Law.

Campaigning for President in America, 1788-2016
SCOTT JOHN HAMMOND, ROBERT NORTH ROBERTS, AND VALERIE A. SULFARO

The race for the presidency encapsulates the broader changes in American democratic culture. This book gives readers insight into the major issues and events surrounding American presidential elections across more than two centuries, from the earliest years of the Republic through the campaigns of the 21st century.

FEATURES
• Introduces readers to the how and why of American presidential campaigns

SCOTT JOHN HAMMOND is professor of political science at James Madison University.
ROBERT NORTH ROBERTS, PhD, is professor of political science at James Madison University, Harrisonburg, VA.
VALERIE A. SULFARO is professor of political science at James Madison University.
The Across the Aisle series was crafted to help students and the general public understand the positions taken by both of America’s major political parties on the most pressing issues of the day. At a time when political gridlock and partisan hostility are the most recognizable patterns in both federal and state government, this series promises to provide an impartial and nuanced understanding of party politicking, the issues that divide us, and the potential paths toward compromise.

Each volume in the series examines the parties’ positions—both historically and today—regarding a major area of American public policy. The coverage serves to strip away political spin and help readers gain a true understanding of the arguments and records of both Republicans and Democrats on today’s hot-button political issues and controversies.

Covering everything from abortion to gun control to immigration, this book explains policies and positions of today’s Democratic and Republican parties, giving readers a complete understanding of modern-day American politics and the 2016 presidential race.

**FEATURES**

- Offers clear, relevant information on current politics in America that enables readers to better understand the key issues and grasp what is at stake in the 2016 presidential election

**TIMOTHY W. KNEELAND**, PhD, is professor of history and political science at Nazareth College, Rochester, NY.
NEW

Surveillance in America
An Encyclopedia of History, Politics, and the Law
2 VOLUMES | PAM DIXON, CONSULTING EDITOR

ABC-CLIO
February 2016, 750pp, 7x10
Print: 978-1-4408-4054-8
$189.00, £119.00, €148.00
eBook: 978-1-4408-4055-5

An excellent resource for high school and college students, this book surveys the size, scope, and nature of government surveillance in 21st-century America, with a particular focus on technology-enabled surveillance and its impact on privacy and other civil liberties.

FEATURES
• Provides up-to-date perspectives on the current-day challenges regarding surveillance in America and recent events such as government response to Edward Snowden that tie these modern topics to the historic roots of surveillance issues in the United States
• Presents information that is accessible and useful both to those with little understanding of technology and those who are tech-savvy

PAM DIXON is a researcher on the topics of medical privacy, data brokers, and other contemporary privacy topics. She is the founder and executive director of the World Privacy Forum, a nonprofit public interest research group.

The 21st-Century Voter
Who Votes, How They Vote, and Why They Vote
2 VOLUMES | GUIDO H. STEMPEL III AND THOMAS K. HARGROVE, EDITORS

ABC-CLIO
December 2015, 599pp, 7x10
Print: 978-1-61069-227-4
$189.00, £119.00, €148.00
eBook: 978-1-61069-228-1

This comprehensive reference covers all aspects of politics and voting—from elections and campaigns, to major political figures and parties, to the role of media and major activist groups.

FEATURES
• Includes 220 alphabetically arranged entries on American voting and related topics
• Features maps and tables that provide insights into American voting trends in the 21st century
• Covers the evolution of the legal right to vote

GUIDO H. STEMPEL III is distinguished professor emeritus of journalism and cofounder of the Scripps Survey Research Center at Ohio University.

THOMAS K. HARGROVE is cofounder of the Scripps Survey Research Center at Ohio University. He is a former White House correspondent for the Scripps Howard News Service.

Fourth Edition | 2 VOLUMES
JOHN R. VILE

ABC-CLIO
July 2015, 655pp, 7x10
Print: 978-1-61069-931-0
$189.00, £119.00, €148.00
eBook: 978-1-61069-932-7

Now in its fourth edition and completely updated, this is the most comprehensive book on constitutional amendments and proposed amendments available.

FEATURES
• Provides clear explanations of each of the 27 constitutional amendments that have been adopted throughout U.S. history as well as essays on the subjects of the thousands of other proposals that have been made
• Articulates important issues involving the constitutional amending process

JOHN R. VILE, PhD, is professor of political science and dean of the University Honors College at Middle Tennessee State University.
POLITICS, LAW, AND GOVERNMENT

The Civil Rights Movement in America
From Black Nationalism to the Women’s Political Council
PETER B. LEVY, EDITOR

“This significant reference work would be invaluable to researchers from all walks of life interested in the development of the civil rights movement and its continuing influence on American culture and society.”

—Booklist, September 8, 2015

This single-volume work provides a concise, up-to-date, and reliable reference work that students, teachers, and general readers can turn to for a comprehensive overview of the civil rights movement—a period of time incorporating events that shaped today’s society.

PETER B. LEVY, PhD, is professor in the Department of History and Political Science at York College, York, PA.

Teen Legal Rights
Third Edition | DAVID L. HUDSON JR.

The only book of its kind to examine all aspects of a young adult’s legal rights at school, at work, and at home, including recent developments in teen-oriented legislation.

FEATURES
• Includes excerpted primary sources and thought-provoking sidebars that allow readers to directly engage with the law

DAVID L. HUDSON JR., JD, is an attorney, educator, and author who serves as director of academic affairs and legal writing at the Nashville School of Law. He also teaches at Vanderbilt Law School and Belmont University College of Law.

American Political Culture
An Encyclopedia
3 VOLUMES
MICHAEL SHALLY-JENSEN, GENERAL EDITOR; MARK J. ROZELL AND TED G. JELEN, ADVISORY EDITORS

“The material is suitable for high school and undergraduate college students and generally informed lay readers.”

—ProtoView, August 12, 2015

This all-encompassing encyclopedia provides a broad perspective on U.S. politics, culture, and society, but also goes beyond the facts to consider the myths, ideals, and values that help shape and define the nation.

MICHAEL SHALLY-JENSEN, PhD, is an independent writer and editor. MARK J. ROZELL is professor at George Mason University in Arlington, VA, and Fairfax, VA. TED G. JELEN is professor of political science at the University of Nevada, Las Vegas.

Drugs in American Society
An Encyclopedia of History, Politics, Culture, and the Law
3 VOLUMES | NANCY E. MARION AND WILLARD M. OLIVER, EDITORS

“This three-volume encyclopedia offers an unparalleled, wide-angle perspective with 468 alphabetically arranged, signed entries in short-essay format . . . Recommended.”

—Choice, June 1, 2015

Containing more than 450 entries, this easy-to-read encyclopedia provides concise information about the history of and recent trends in drug use and drug abuse in the United States—a societal problem with an estimated cost of $559 billion a year.

NANCY E. MARION, PhD, is professor at the University of Akron, Akron, OH.

WILLARD M. OLIVER, PhD, is professor at Sam Houston State University.
Dirty Deals?
An Encyclopedia of Lobbying, Political Influence, and Corruption

“The set is eye-opening, not only for the historical nature of backroom dealing but also for the bureaucratization of political influence. Recommended for high school and undergraduate libraries supporting American civics classes.”

—Booklist, May 1, 2015

An encyclopedia unlike any other, this work focuses on lobbying, corruption, and political influence in America to inspire readers to think critically about the U.S. government and to appreciate the opportunities of citizenship.

AMY HANDLIN, PhD, is associate professor of marketing at Monmouth University, West Long Branch, NJ.

Internet and the Law
Technology, Society, and Compromises

“An excellent reference tool and college-level go-to with no need for users to have in-depth legal knowledge.”

—Library Journal
April 1, 2014

The world of Internet law is constantly changing and is difficult to follow, even for those for whom doing so is a full-time job. This updated, everything-you-need-to-know reference removes the uncertainty.

AARON SCHWABACH is professor of law at Thomas Jefferson School of Law in San Diego, CA.

Re-Framers
170 Eccentric, Visionary, and Patriotic Proposals to Rewrite the U.S. Constitution

“One of Professor Vile’s more interesting projects . . . a valuable resource.”

—Law and Politics Book Reviews
January 1, 2015

This book is the most comprehensive review of all the major proposals to rewrite, revise, or even replace the U.S. Constitution, covering more than 170 proposals from the nation’s beginnings to the present day.

JOHN R. VILE, PhD, is a professor of political science and dean of the University Honors College at Middle Tennessee State University.

The Supreme Court
Controversies, Cases, and Characters from John Jay to John Roberts

An insightful, chronological—by chief justice—examination of the Supreme Court that enables students and readers to understand and appreciate the constitutional role the Court plays in American government and society.

Great Events in Religion
An Encyclopedia of Pivotal Events in Religious History
3 VOLUMES | FLORIN CURTA AND ANDREW HOLT, EDITORS

Religion has played a key role in shaping history. Momentous events in religion are also great events in world history.

This work offers readers a broad and thorough look at the greatest events in world religious history, covering a wide range of religions, time periods, and areas around the globe. The entries present authoritative information and informed viewpoints written by expert contributors that enable readers to easily learn about the chief events in religious history, help them to better understand the course of world history, and promote a greater respect for culturally diverse religious traditions.

The first of the three volumes covers religion from the preliterary world through around AD 600; the second, the post-classical era from 600 to 1450; and the third, the modern era from 1450 to the present. Each volume begins with a substantive introduction that discusses the history of world religions during the period covered by the volume. The chronologically ordered entries overview each event, place it in historical context, and identify the reasons for its enduring significance.

FEATURES

- Presents readers with essential information about the chief events in religious history that will help them better understand world history and promote a greater respect for culturally diverse religious traditions
- Provides cross-references and sidebars that cite print and electronic resources for further reading with each entry

SAMPLE TOPICS

- Fall of the Ottoman Empire
- Founding of the Baha’i Faith
- French Revolution
- Henry VIII’s Establishment of the Anglican Church
- Hindu Renaissance
- Jesus and the Founding of Christianity
- Joan of Arc
- John Brown’s Raid on Harper’s Ferry
- John Calvin
- Martin Luther
- Mohammad and the Founding of Islam
- Mohatma Gandhi
- Moses’ Leadership of the Hebrew People
- Overthrow of the Shah of Iran
- Protestant Reformation
- Publication of the King James Bible
- Rise of the Taliban
- Roman Inquisition
- Salem Witch Trials
- Spanish Inquisition
- The Holocaust
- Vatican Council
- Westminster Confession of Faith

FLORIN CURTA is professor of medieval history and archaeology at the University of Florida, Gainesville.

ANDREW HOLT is associate professor of history at Florida State College at Jacksonville. His previous books include Competing Voices from the Crusades: Fighting Words.
Many Western views on Islam and Muslims stem from false assumptions or biases.

One of the most popular and widespread religions in the world, Islam has attracted a great deal of attention in recent times, particularly in the Western world. With the ongoing tensions in the Middle East and a pervasive sense of hostility toward Arab Americans, there is ever increasing need to examine and understand Islam as a religion and historical force. 

Islam: A Worldwide Encyclopedia provides some 700 entries on Islam written by expert contributors that cover the religion from the birth of Islam to the present time.

Each entry begins with a basic introduction, followed by a general discussion of the subject and a conclusion. Each entry also features a further readings list for readers. In addition to supplying a comprehensive, authoritative overview of Islam, this work also specifically addresses many controversial related issues, including jihad, violence in Islam, polygamy, and apostasy.

CENAP ÇAKMAK, PhD, is professor of international law and politics at Eskişehir Osmangazi University, Eskişehir, Turkey.
Krishna is a central figure in Hinduism, a religion that has been a fundamental force for thousands of years. This accessible encyclopedia covers texts, practices, scholarship, and arts related to Krishna from the earliest known sources on.

**FEATURES**
- Overviews the importance of Krishna to world history
- Offers topical and thematic entries illuminating classical texts and practice and modern developments inside and outside India
- Covers philosophical traditions such as Advaita and vegetarianism as well as spiritual and yoga traditions and their contemporary adaptations

**LAVANYA VEMSANI** is professor of history at Shawnee State University, Portsmouth, OH.

---

**FEATURES**
- Presents approximately 100 alphabetically arranged entries written by a team of expert contributors
- Overviews the plurality of African religious cultures and identifies the distant origins of African American religious experiences today
- Includes primary documents discussing African religious beliefs and practices

**DOUGLAS THOMAS**, PhD, is Benjamin S. Quarles Endowed Professor of History at Grambling State University, Grambling, LA.

**TEMILOLA ALANAMU**, PhD, recently completed a doctorate in history at the University of Exeter.

**FRANK J. SMITH**, PhD, DD, is president of the Young American Leaders Association Missionary Training School, Los Angeles, CA, and a part-time history instructor at Georgia Gwinnett College, Lawrenceville, GA.

---

There has always been an intricate relationship between religion and politics. This encyclopedia provides a comprehensive overview of the interrelation of religion and politics from colonial days to the present.

**FEATURES**
- Enables readers to understand why religion and politics are necessarily interrelated
- Demonstrates how today’s heated controversies about the delicate balance between religious beliefs and government policies in America are not new but have existed since the foundation of the nation

**FRANK J. SMITH**, PhD, DD, is president of the Young American Leaders Association Missionary Training School, Los Angeles, CA, and a part-time history instructor at Georgia Gwinnett College, Lawrenceville, GA.
What the Slaves Believed
Recollections of Faith and Religion in WPA Slave Narratives
TOM HEAD

Drawing from the WPA Slave Narrative Collection, this volume sifts through more than 2,300 interviews with survivors of slavery in order to document their religious lives through primary sources.

FEATURES
• Provides a comprehensive survey of the religious beliefs of slaves in their own words
• Explains, describes, and anthologizes the religious lives of slaves on a scale not realized in earlier works
• Shows how the information gleaned from the WPA narratives fit within the larger historical context of African American religious life

TOM HEAD, PhD, is author or coauthor of 28 nonfiction books, including Absolute Beginner’s Guide to the Bible and Civil Liberties: A Beginner’s Guide.

The Religious Right in America
A Historical Encyclopedia
TOM HEAD

This encyclopedia takes an unprecedented look at the history of the Religious Right in America from its roots in the colonial period to its recent role in the rise of the Tea Party.

FEATURES
• Includes entries on specific individuals, organizations, issues, and events relating to the Religious Right
• Traces the roots of the Religious Right to the founding of the United States through the present day
• Fosters critical thinking skills in support of Common Core through primary source documents and reference entries
• Analyzes the role of key figures in the history of the Religious Right as a movement

TOM HEAD, PhD, is author or coauthor of 28 nonfiction books, including Absolute Beginner’s Guide to the Bible and Civil Liberties: A Beginner’s Guide.

Miracles
An Encyclopedia of People, Places, and Supernatural Events from Antiquity to the Present
PATRICK J. HAYES, EDITOR

Miracles give hope to the hopeless and exemplify the intersection of the divine and the mundane. They have shaped world history and continue to influence us through their presence in films, television, novels, and popular culture. This encyclopedia provides a unique resource on the philosophical, historical, religious, and cross-cultural conceptions of miracles that cut across denominational lines.

FEATURES
• Provides the most authoritative exposition of miracles across history currently available in English—a highly useful resource for inquirers on miraculous phenomena

PATRICK J. HAYES, PhD, is the archivist for the Redemptorists of the Baltimore Province and editor of the online journal Redemptorist North American History Bulletin.
The Rise of Christianity
History, Documents, and Key Questions
KEVIN W. KAATZ

An outstanding resource for high school readers and first-year college students, this book explores early Christianity from its beginnings in the first century through the fourth century when Christianity went from a persecuted faith to the only legalized faith in the Roman Empire.

FEATURES
• Provides readers with a broad understanding of early Christianity from the time of Jesus to the fall of Rome and an appreciation for how early Christian communities spread throughout the Empire
• Examines a number of key topics that relate to the varied communities that made up early Christianity

KEVIN W. KAATZ is assistant professor in the Department of History at California State University, East Bay Campus, Hayward, CA.

Asian American Religious Cultures
2 VOLUMES | JONATHAN H. X. LEE, FUMITAKA MATSUOKA, EDMOND YEE, AND RONALD Y. NAKASONE, EDITORS

A resource ideal for students as well as general readers, this two-volume encyclopedia examines the diversity of the Asian American and Pacific Islander spiritual experience.

JONATHAN H. X. LEE, PhD, is an associate professor of Asian American studies who specializes in Southeast Asian and Sino-Southeast Asian American studies at San Francisco State University.

FUMITAKA MATSUOKA, PhD, is Robert Gordon Sproul Professor of Theology Emeritus and the former Executive Director of the Institute for Leadership Development and the Study of Pacific and Asian American Religion (PANA) at Pacific School of Religion (PSR), Berkeley, CA.

EDMOND YEE, CPhil, PhD, is an author, editor, translator, and professor emeritus of Asian Studies, Pacific Lutheran Theological Seminary.

RONALD Y. NAKASONE, PhD, is a member of the core doctoral faculty at the Graduate Theological Union (GTU) in Berkeley, CA.

The Voodoo Encyclopedia
Magic, Ritual, and Religion
JEFFREY E. ANDERSON, EDITOR

This compelling reference work introduces the religions of Voodoo, a onetime faith of the Mississippi River Valley, and Vodou, a Haitian faith with millions of adherents today.

FEATURES
• Addresses both Vodou and Voodoo
• Situates the religions both religiously and historically
• Examines the African contributions to the faiths on a regional basis
• Introduces important gods and ceremonies

JEFFREY E. ANDERSON, PhD, is the Dr. William R. Hammond Professor of Liberal Arts at the University of Louisiana at Monroe.
Jesus in History, Legend, Scripture, and Tradition
A World Encyclopedia

This multifaceted work contextualizes Jesus in religion and culture by bringing together articles on folklore, history, literature, philosophy, popular culture, and theology.

Voices of the Reformation
Contemporary Accounts of Daily Life

“Suitable for most public libraries.”
—Booklist, September 8, 2015

This fascinating collection of primary source documents furnishes the accounts—in their own words—of those who initiated, advanced, or lived through the Reformation.

Spirit Possession around the World
Possession, Communion, and Demon Expulsion across Cultures

This book provides a fascinating historical and cultural overview of traditional beliefs about spirit possession and exorcism around the world, from Europe to Asia and the Middle East to the Americas.

Religion in Southeast Asia
An Encyclopedia of Faiths and Cultures

“[T]his single-volume reference is a welcome edition for high school students and general readers.”
—Booklist, August 4, 2015

This engaging encyclopedia covers the religions and religious traditions of various Southeast Asian countries, including Brunei, Burma, Cambodia, Indonesia, Laos, Malaysia, the Philippines, Thailand, and Vietnam.

Leslie Houlden is an Anglican priest and a retired professor of the University of London.

Antone Minard, PhD, is lecturer in the Department of Humanities at Simon Fraser University and in the Department of Classical, Near Eastern, and Religious Studies at the University of British Columbia.

John A. Wagner, PhD, has taught classes in British and American history at Arizona State University and Phoenix College.

**Hooray for Hollywood!**
A Cultural Encyclopedia of America’s Dream Factory

2 VOLUMES | BOB BATCHELOR, NORMA JONES, AND KATHLEEN TURNER, EDITORS

_Hooray for Hollywood! A Cultural Encyclopedia of America’s Dream Factory_ presents approximately 200 alphabetically arranged entries that examine exactly what Hollywood has meant to us. The entries cover such cultural topics as fashion, dance, and music; influential films, directors, and actors; as well as fascinating brief histories of logos or unusual facts about America’s film industry. The entries also provide cross-references and include “Further Reading” sections that cite print and electronic resources appropriate for additional research. A selection of roughly 40 primary documents, each accompanied by an introductory headnote, gives students a first-hand look at the history of Hollywood and promotes critical thinking skills in support of Common Core State Standards.

BOB BATCHELOR, PhD, is James Pedas Professor of Communication and executive director of the James Pedas Communication Center at Thiel College.

NORMA JONES is a University Fellowship and David B. Smith Award recipient as well as a doctoral candidate in the College of Communication and Information at Kent State University.

KATHLEEN TURNER is assistant professor of communication at Aurora University, where she teaches courses in media criticism, visual communication, and other topics.

**ENCYCLOPEDIA OF WORLD COMICS**
Manga, Anime, Tintin, and More from around the Globe

2 VOLUMES | FREDERICK LUIS ALDAMA AND CHRISTOPHER GONZÁLEZ, EDITORS

While American comic books continue to grow in importance in U.S. culture, inspiring hit movies, literature, design, fashion, and more, the comic art form around the world is showing similar power. This comprehensive look at comic books outside the United States shows the impact of the medium worldwide. The entries demonstrate the relative importance of manga in Japan and comic-books-as-art in France, as two examples, and provide the historical context relevant to each topic. Taken together, the entries, essays, and example illustrations and artwork provide readers with an appreciation for—literally—the world of comics.

**FEATURES**
- Provides a worldwide perspective on a subject of great interest to American readers and comic book fans

FREDERICK LUIS ALDAMA, PhD, is Arts and Humanities Distinguished Professor of English and University Distinguished Scholar at The Ohio State University.

CHRISTOPHER GONZÁLEZ, PhD, is assistant professor of English in the Department of Literature and Languages at Texas A&M University-Commerce.
The concept of ghosts has been an ongoing and universal element in human culture as far back as recorded history can document. In more modern popular culture and entertainment, ghosts are a popular mainstay—from *A Christmas Carol* and *Casper the Friendly Ghost* to *The Amityville Horror*, *Ghostbusters*, *Poltergeist*, *The Sixth Sense*, and *Ghost Whisperer*. This book comprehensively examines ghost and spirit phenomena in all its incarnations to provide readers with a holistic perspective on the subject. It presents insightful information about the contribution of a specific work or author to establish or further the evolution of ghost lore, rather than concentrating solely on the film, literature, music, or folklore itself.

In recent decades, reality television shows ranging from *Keeping up with the Kardashians* to *Duck Dynasty* have become increasingly popular. Why are these “unscripted” programs irresistible to millions of viewers? And what does the nearly universal success of reality shows say about American culture? This book covers more than 100 major and influential reality programs past and present, discussing the origins and past of reality programming, the contemporary social and economic conditions that led to the rise of reality shows, and the ways in which the most successful shows achieve popularity with both male and female demographics or appeal to specific, targeted niche audiences.
Part of the Pop Goes the Decade series, this book looks at one of the most memorable decades of the 20th century, highlighting pop culture areas such as film, television, sports, technology, advertising, fashion, and art.

**Features**
- Highlights key controversies of the 1970s, enabling readers to better understand the social values and common thinking of that decade in America
- Provides insightful, comprehensive background information on the 1970s that will serve to improve students' critical thinking skills by exploring the influence and use of cultural genres during pivotal moments in American history

DEBORAH CARMICHAEL is assistant professor at Michigan State University and managing editor of The Journal of Popular Culture.
Perfect for any reader interested in fashion, history, or popular culture, this text is an essential resource that presents vital information and informed analysis of key fashion fads not found elsewhere.

**FEATURES**
- Provides high school and college students with interesting information about the direct connections between fashion trends and history that is not available elsewhere in a scholarly source
- Offers readers easy access to original source material

**JENNIFER GRAYER MOORE**, PhD, is an art and design historian who teaches fashion history in New York City.

---

This engaging and informative work highlights the 100 biggest moments in the history of American sports, illustrating powerful connections between sporting events and significant social issues of the time.

**FEATURES**
- Features a timeline highlighting major sports events over time
- Includes a list of additional reading resources for each entry
- Covers most every sport including football, baseball, basketball, hockey, horse racing, motorsport, and others
- Supports common core standards for literacy

**LEW FREEDMAN** is a columnist for the *Cody Enterprise* newspaper in Wyoming.

---

This one-of-a-kind reference investigates the music and the musicians that set the popular trends of the last half century in America.

**FEATURES**
- Contains an alphabetical collection of entries that each profile a major group and band from the past 60 years
- Provides a selected discography and bibliography for further listening and reading for each entry
- Covers a wide variety of styles from classic rock to surf rock to hip hop
- Features sidebar entries which tie together larger popular music concepts such as the rise and influence of MTV and the phenomenon of girl bands

**DAVID V. MOSKOWITZ**, PhD, is professor and graduate coordinator of music at the University of South Dakota.
Ghosts, Spirits, and Psychics
The Paranormal from Alchemy to Zombies
MATT CARDIN, EDITOR

This fascinating work provides a complete overview of paranormal phenomena, including the beliefs, attitudes, and notable figures who have attempted to explain, defend, or debunk the mysteries behind the unknown.

FEATURES
• Contains more than 120 factual entries as well as extensive excerpts from several primary documents in the area of the paranormal
• Features contributions from noted experts in its field from across viewpoints—including believers and skeptics
• Profiles a number of important individuals who have contributed to the history and study of the field

MATT CARDIN is an instructor at Ranger College in Ranger, TX.

Make ‘em Laugh!
American Humorists of the 20th and 21st Centuries
ZEKE JARVIS, EDITOR

This lighthearted and eye-opening book explores the role of comedy in cultural and political critiques of American society from the past century.

FEATURES
• Provides a context, vocabulary, and perspective to better appreciate and understand American humor
• Connects historical developments to cultural changes
• Includes both academic references and popular works
• Covers a wide range of artists over a variety of media
• Examines and explains general trends in American comedy

ZEKE JARVIS, PhD, is an associate professor at Eureka College.

Comics through Time
A History of Icons, Idols, and Ideas
4 VOLUMES | M. KEITH BOOKER, EDITOR

Focusing especially on American comic books and graphic novels from the 1930s to the present, this massive four-volume work provides a colorful yet authoritative source on the entire history of the comics medium.

M. KEITH BOOKER is professor of English and director of the Program in Comparative Literature and Cultural Studies at the University of Arkansas.
Pop Culture Places
An Encyclopedia of Places in American Popular Culture
3 VOLUMES | GLADYS L. KNIGHT

GREENWOOD
August 2014, 1,041pp, 8 1/2x11
Print: 978-0-313-39882-7
$310.00, £194.00, €243.00
eBook: 978-0-313-39883-4

“[A] beneficial resource for students and the interested casual reader. The work would be a great addition to public, high school, and undergraduate libraries.”
—Booklist, December 1, 2014

This three-volume reference set explores the history, relevance, and significance of pop culture locations in the United States—places that have captured the imagination of the American people and reflect the diversity of the nation.

FEATURES
• Enables readers to perceive how their lives have been influenced by everyday places in the past, from centuries ago to the modern era

GLADYS L. KNIGHT is an author whose published work includes Greenwood’s Female Action Heroes: A Guide to Women in Comics, Video Games, Film, and Television.

The World of Musicals
An Encyclopedia of Stage, Screen, and Song
2 VOLUMES | MARK A. ROBINSON

GREENWOOD
April 2014, 877pp, 7x10
Print: 978-1-4408-0096-2
$189.00, £119.00, €148.00
eBook: 978-1-4408-0097-9

“[T]his set will appeal to fans of musicals of all kinds. Recommended.”
—Choice, December 1, 2014

This wide-ranging, two-volume encyclopedia of musicals old and new will captivate young fans—and prove invaluable to those contemplating staging a musical production.

FEATURES
• Offers 700 alphabetically arranged entries related to musicals in theatre, film, and television
• Spans the history of musical theatre from Gilbert and Sullivan operettas in the late 1800s to the present
• Concentrates on musicals that are historically important and/or of mainstream interest, as well as those that might be examined in a high school music, music history, or theatre class

MARK A. ROBINSON is a performing arts educator and an author.

Encyclopedia of the Zombie
The Walking Dead in Popular Culture and Myth
JUNE MICHELE PULLIAM AND ANTHONY J. FONSECA, EDITORS

GREENWOOD
June 2014, 381pp, 7x10
Print: 978-1-4408-0388-8
$89.00, £56.00, €70.00
eBook: 978-1-4408-0389-5

“This encyclopedia possesses wide appeal and is appropriate for general audiences. Researchers interested in monsters, anthropology, politics, and film history are also well-served by its contents. Recommended.”
—Choice, January 1, 2015

A fascinating read for anyone from general readers to hardcore fans and scholars, this encyclopedia covers virtually every aspect of the zombie as cultural phenomenon, including film, literature, folklore, music, video games, and events.

FEATURES
• Provides comprehensive coverage of topics about or relating to zombies in film, literature, folklore, and popular culture

JUNE MICHELE PULLIAM, PhD, is professor of English and gender studies at Louisiana State University.
ANTHONY J. FONSECA, PhD, is library director at Elms College, Chicopee, MA.
Freedom of Speech
Reflections in Popular Culture

PATRICIA L. DOOLEY

It is easy to overlook the importance of freedom of speech in our modern world, where it often seems "anything goes." In actuality, freedom of speech issues are still highly relevant in the 21st century, even if our cultural and social contexts now allow many forms of expression that were unacceptable in previous eras. This book focuses on how freedom of speech is reflected in pop culture by looking at the films, websites, television shows, and songs that have touched on—and impacted—this issue. It examines specific examples of freedom of speech issues within everything from print media to music, theater, photography, film, television, sports, video games, and social media and demonstrates that pop culture sometimes contributes to the expansion of freedom of speech.

FEATURES
• Covers freedom of speech issues in popular culture in the 19th and 20th centuries as well as the present day
• Examines everything from banned books to comic book censorship, music, theater, photography, film, television, video games, and social media
• Enables readers to better appreciate how freedom of speech and expression is a subtext in most aspects of daily life

The Beatles Encyclopedia
Everything Fab Four

2 VOLUMES | KENNETH WOMACK

"This encyclopedia is crucial for any music library. Highly recommended." —Choice, December 1, 2014

The Beatles have sold at least 2.3 billion albums; achieved 6 Diamond, 24 Multi-Platinum, 39 Platinum, and 45 Gold albums in the United States alone; and continue to experience impressive commercial success—now more than at any other time. What is it about this iconic group which continues to draw attention from each successive generation, even more than 40 years after their disbandment? The Beatles Encyclopedia: Everything Fab Four provides casual fans and aficionados alike with a comprehensive study of the historical, cultural, and musical influence of the Beatles, providing hundreds of insightful entries that address the people, places, events, and other details that have contributed to the band’s status as a global phenomena.

FEATURES
• Offers unprecedented insights into the Beatles’ collective and solo releases, as well as the people and places that impacted their work

Chronic Diseases
An Encyclopedia of Causes, Effects, and Treatments

3 VOLUMES
JEAN KAPLAN TEICHROEW, EDITOR

Chronic diseases affect the quality of life of some 90 million Americans.

Chronic diseases and their consequences are among the foremost problems faced by the U.S. health care system, accounting for untold distress and mounting personal and societal costs. Bringing together an unprecedented array of detailed data and facts, this unique three-volume encyclopedia provides information that will help readers understand what they can do to avoid these diseases, as well as how to best manage chronic conditions that may affect them or their families.

Designed for high school, public, and university libraries, this three-volume set covers an extensive range of disorders, including diabetes, cancer, high blood pressure, asthma, heart disease, arthritis, osteoporosis, kidney disease, Alzheimer’s disease, HIV/AIDS, and hepatitis. Depression and anxiety are covered, as are violence and injury, drug use and abuse, and tobacco as a health hazard. Much more than just a list of diseases, this encyclopedia enables readers to easily research terminology, symptoms, methods of diagnosis, medical treatments and alternative medicine, risk factors, associated conditions, and preventive approaches. The work is consistent with Healthy People 2010 national goals and objectives and with National Health Education Standards.

GREENWOOD
October 2016, 1,178pp, 7x10

SAMPLE TOPICS
• Cancer
• Diabetes
• Healthcare Access
• HIV/AIDS
• Nutrition
• Physical Therapy
• Public Health
• Smoking

FEATURES
• Examines the many facets of researching, diagnosing, and controlling chronic diseases
• Covers preventive measures such as selecting a nutrition plan, physical activity, vaccinations, and screenings
• Explores topics within their historical and societal context and in correlation with the standards of health education
• Brings together the expertise of a wide range of respected professionals

JEAN KAPLAN TEICHROEW, MA, is a freelance editor and writer as well as the communications director of the Anxiety and Depression Association of America (ADAA).
How do our human senses work and help us interact with our surroundings, and what happens when these senses malfunction or are impaired? This book provides in-depth information that answers these questions and more.

**FEATURES**
- Provides an introductory essay that gives readers a firm conceptual framework on the subject of human senses before delving into greater detail
- Includes further readings sections and a comprehensive bibliography that serve readers looking to research the topic more in depth

**JENNIFER L. HELLIER, PhD,** is assistant professor in the Departments of Family Medicine and Cell & Developmental Biology at the University of Colorado-Anschutz Medical Campus, Aurora, CO.

Separating truth from hype, this book introduces readers to the topic of life extension in a holistic manner that provides scientific, historical, and cultural perspectives.

**FEATURES**
- Examines the topic of extending human life in a holistic, unbiased manner, exploring the subject from a variety of perspectives and contexts
- Provides readers with additional insights into current controversies and debates related to the subject
- Includes sidebars that offer additional high-interest, ready-reference content as well as a list of resources, a bibliography, and an index

**AHARON W. ZOREA, PhD,** is full professor of history at the University of Wisconsin–Richland.

Easy to read and to use, this A-to-Z mini-encyclopedia covers the most important medical innovations of the last 200 years.

**FEATURES**
- Presents nearly 100 interesting A-to-Z reference entries on medical innovations
- Covers biographies of important medical innovators, descriptions of the first use of an innovation, and descriptions of other innovations that were less successful
- Provides an introductory essay explaining how the list was chosen and discussing the importance of innovation in the medical field

**CHRISTIANE NOCKELS FABBRI, PhD,** a native of Luxembourg, has practiced clinical medicine since 1984, most recently at Yale Health in New Haven, CT.
HEALTH AND WELLNESS

This book summarizes the findings of scientific research studies to provide readers with straightforward information on a wide variety of healthy habits and the factors that may make them difficult to follow.

This book explores serious diseases and disorders that most readers have never heard of, ranging from genetic, infectious, and environmental diseases to autoimmune, idiopathic, and mental disorders.

Intended for students and general readers alike, this encyclopedia covers the history of human medical experimentation, for better and worse, from the time of Hippocrates to the present.

The 50 Healthiest Habits and Lifestyle Changes
MYRNA CHANDLER GOLDSTEIN AND MARK ALLAN GOLDSTEIN, MD

This book summarizes the findings of scientific research studies to provide readers with straightforward information on a wide variety of healthy habits and the factors that may make them difficult to follow.

Features
• Dispels common modern misconceptions regarding health, such as electronic cigarettes being a completely harmless alternative to tobacco cigarettes

MYRNA CHANDLER GOLDSTEIN, MA, has been a freelance writer and independent scholar for more than 25 years.
MARK ALLAN GOLDSTEIN, MD, is founding chief of the Division of Adolescent and Young Adult Medicine at Massachusetts General Hospital.

The 101 Most Unusual Diseases and Disorders
EVELYN B. KELLY

This book explores serious diseases and disorders that most readers have never heard of, ranging from genetic, infectious, and environmental diseases to autoimmune, idiopathic, and mental disorders.

Features
• Provides readers with interesting facts and insights into unusual or rarely seen diseases and disorders from the perspective of an experienced medical writer

EVELYN B. KELLY, PhD, is a medical writer and professor of education at Saint Leo University’s Ocala Education Center, Ocala, FL.

Human Medical Experimentation
From Smallpox Vaccines to Secret Government Programs
FRANCES R. FRANKENBURG, EDITOR

Intended for students and general readers alike, this encyclopedia covers the history of human medical experimentation, for better and worse, from the time of Hippocrates to the present.

Nutrition
Science, Issues, and Applications
2 VOLUMES | BARBARA A. BREHM, EDITOR

This thorough one-stop resource draws on solid science and the latest research to play a dual educational role—providing background for students while answering general readers’ questions about a wide range of nutrition-related topics.

Barbara A. Brehm, EdD, is professor of exercise and sport studies at Smith College in Northampton, MA, where she has taught nutrition and health and sports nutrition for more than 30 years.
The Brain, the Nervous System, and Their Diseases

This comprehensive encyclopedia provides a thorough overview of the human brain and nervous system—the body’s “CPU and data network.” It covers basic anatomy and function, diseases and disorders, treatment options, wellness concepts, and key individuals in the fields of neurology and neuroscience.

**Features**
- Aligns with the Society for Neuroscience national standards and the U.S. National Science Education Standards for high school brain awareness curricula
- Covers the latest neuroscience research at the National Institutes of Health

**JENNIFER L. HELLIER,** PhD, is assistant professor in the Departments of Family Medicine and Cell & Developmental Biology at the University of Colorado-Anschutz Medical Campus, Aurora, CO.

• Provides concise, accessible information in a ready-reference format that covers most major countries as well as a variety of non-country populations

KEN ALBALA is professor of history at the University of the Pacific, Stockton, CA. He is editor of ABC-CLIO’s Food Culture around the World series.

The A–Z of Death and Dying
Social, Medical, and Cultural Aspects
MICHAEL BRENNAN, EDITOR

“Professionals in the health care field may want to recommend this publication to patients who are looking for topical overviews. It will be a good purchase for academic and public libraries. Recommended.”

GREENWOOD
February 2014
442pp, 7x10
Print: 978-1-4408-0343-7
$89.00, £56.00, €70.00
eBook: 978-1-4408-0344-4

This engaging and informative resource provides readers with an understanding of the social, cultural, and historical influences that shape our encounters with death, dying, and bereavement—a universal experience across humanity.

MICHAEL BRENNAN, PhD, is associate professor of sociology and director of the Center for Death Education and Bioethics at the University of Wisconsin-La Crosse.
While many books have been written about the prevalence and perils of recreational drug use, what about the wide variety of chemicals Americans ingest to help them heal or to cope with mental and physical issues? These therapeutic drugs—whether prescription or over-the-counter (OTC), generic or brand name—play a critical role in both the U.S. health care system and American society at large. Each title in *The Story of a Drug* will explore a particular class or group of pharmaceuticals from a variety of perspectives, including scientific, historical, economic, legal, and cultural, to provide readers with the complete “story” behind these powerful substances.

**Painkillers**  
*History, Science, and Issues*  
VICTOR B. STOLBERG

This accessible, easy-to-read book provides readers with different perspectives on the subject of painkillers, examining their history, production, uses, and dangers.  

**FEATURES**  
- Documents the risks of painkiller use and explores the various issues centered around the production, distribution, and regulation of painkiller medications  
- Examines painkillers from a variety of perspectives, including medical, historical, economic, and social

**ANTI-BIOTICS**  
*History, Science, and Issues*  
DELENE BARTIE

This accessible, easy-to-read book provides readers with different perspectives on the subject of antibiotics, examining their history, production, uses, and dangers.  

**FEATURES**  
- Examines antibiotics and related subjects from a variety of perspectives, including medical, historical, economic, and social  
- Provides an introductory case-study chapter that helps put the material into a real-world context

VICTOR B. STOLBERG is assistant professor/counselor at Essex County College in Newark, NJ, where he previously directed the Office of Disability Support Services and the Office of the Substance Abuse Coordinator.

DELENE BARTIE, PhD, is senior specialist scientist at the National Institute for Occupational Health, Johannesburg, South Africa.
From the latest developments in treatment to updates on public health threats, information about health and medicine impacts lives more directly than almost any other subject. Despite a wealth of coverage online and in print media, there is still an overwhelming need for a single source to which a reader can turn for accurate, current information on an issue of concern. The series Health and Medical Issues Today provides just such one-stop resources for those seeking solid overviews of the most controversial and persisting issues in health and psychology. Each volume offers a balanced, in-depth introduction to the medical, scientific, legal, and cultural aspects of subjects ranging from obesity to sports medicine, mental illness, HIV/AIDS, and tobacco use.

This book provides a broad introduction to the important topic of concussive brain injury that considers historical, medical, research-based, and legal and ethical perspectives.

**FEATURES**
- Examines the topic of concussions from historical and legal/ethical perspectives as well as medical perspectives and provides insights into current issues and controversies
- Includes excerpts from primary source documents that provide additional information and bolster students’ critical thinking skills

**WILLIAM PAUL MEEHAN III, MD,** is director of the Micheli Center for Sports Injury Prevention, director of the Sports Concussion Clinic, and director of research for the Brain Injury Center at Children’s Hospital Boston.

**Steroids**

**AHARON W. ZOREA**

April 2014, 236pp, 6 1/8x9 1/4
Print: 978-1-4408-0299-7
$37.00, £24.00, €29.00
eBook: 978-1-4408-0300-0

“This handbook offers an overview and introduction to steroid use, an effective explanation of the basic biochemistry of steroid hormones, and familiar historical background on therapeutic and performance-enhancing effects.

. . . Recommended.”
—Choice, November 6, 2014

A thorough, balanced examination of the controversies on the therapeutic and non-therapeutic use of steroids that covers both legal medical therapy and illegal performance enhancement.

**AHARON W. ZOREA, PhD,** is full professor of history at the University of Wisconsin–Richland.

Mental Health and Mental Disorders
An Encyclopedia of Conditions, Treatments, and Well-Being

LEN SPERRY, EDITOR-IN-CHIEF

A three-volume ready-reference encyclopedia, this up-to-date work supplies a holistic introduction to the fields of mental health and mental disorders that is written specifically for high school students and college students. Covering the full continuum of mental health, the set describes typical functioning, including biology and neurology of the brain, emotions, and the traits and characteristics of mental well-being. It also addresses mental disorders and conditions, from obsessive compulsive disorder (OCD) and post-traumatic stress disorder (PTSD) to phobias and schizophrenia.

How Animals Think and Feel
An Introduction to Non-Human Psychology

KEN CHENG

Why do dogs get separation anxiety? Can a chimpanzee recognize itself in a mirror? Do animals in a zoo get neurotic? Do animals actually have emotions, or are humans simply anthropomorphizing them? How Animals Think and Feel: An Introduction to Non-Human Psychology answers these interesting questions and many more in its examination of animal psychology—particularly non-human primates (our closest relatives) and companion animals (the animals with which we spend the most time).

GREENWOOD
August 2016, 268pp, 6 1/8x9 1/4
Print: 978-1-4408-3714-2
$58.00, £37.00, €46.00
eBook: 978-1-4408-3715-9

KEN CHENG, PhD, is professor of biological sciences at Macquarie University, Sydney, Australia.
Our favorite fictional characters from books and movies often display an impressive and wide range of psychological attributes, both positive and negative. We admire their resilience, courage, humanity, or justice, and we are intrigued by other characters who show signs of personality disorders and mental illness—psychopathy, narcissism, antisocial personality, paranoia, bipolar disorder, and schizophrenia, among many other conditions. This book examines the psychological attributes and motivations of 100 fascinating characters that include examples of both accurate and misleading depictions of psychological traits and conditions, enabling readers to distinguish realistic from inaccurate depictions of human behavior.

Rather than focusing on treating what is “wrong” with a person, positive psychology seeks to understand and foster the things that drive happiness, creativity, and emotional fulfillment. This is a relatively new area of psychological study, and this reference book presents the research and practice of positive psychology in an informative and accessible format. Readers are given a history of the field, its current applications, and the future implications of this psychological discipline.
Evolutionary Psychology
How Our Biology Affects What We Think and Do

Valerie G. Starratt

This book considers the complexities of human nature from a biological, psychological, and evolutionary standpoint and demonstrates how common modern behaviors can be traced back to early man.

FEATURES
• Introduces evolutionary psychology through a thematic, chapter-based format
• Explores one of the fastest-growing subfields in psychology today and presents contemporary debates that foster critical thinking skills
• Showcases high-interest information through engaging sidebars
• Defines unfamiliar terms and concepts

Valerie G. Starratt, PhD, is associate professor of psychology at Nova Southeastern University in Fort Lauderdale, FL.

Abuse
An Encyclopedia of Causes, Consequences, and Treatments

Rosemarie Skaine, Editor

This timely volume shows how abuse impacts every segment of society—and how society is seeking effective ways to respond.

FEATURES
• Offers an introductory essay that places the subject in context and provides a framework within which to study and understand abuse
• Features entries from leading scholars who provide a contemporary approach to the issues
• Covers a wide range of types of abuse, individuals and organizations affected by abuse, and people working to reduce and eliminate abuse

Rosemarie Skaine, MA, has published 13 books and numerous articles. Her published works include ABC-CLIO’s Suicide Warfare: Culture, the Military, and the Individual as a Weapon.

Phobias
The Psychology of Irrational Fear

Irena Milosevic and Randi E. McCabe, Editors

This work would be useful to public libraries, as it provides introductory information for the layperson on concepts and theories related to phobias as well as information about the phobias themselves.

“This work would be useful to public libraries, as it provides introductory information for the layperson on concepts and theories related to phobias as well as information about the phobias themselves.”

—Irena Milosevic, PhD

“Irena Milosevic, PhD, is a clinical psychologist at the Anxiety Treatment and Research Centre at St. Joseph’s Healthcare Hamilton and an assistant professor (part-time) in the Department of Psychiatry and Behavioural Neurosciences at McMaster University, both in Hamilton, Canada.

Randi E. McCabe, PhD, is director of the Anxiety Treatment and Research Centre and psychologist-in-chief at St. Joseph’s Healthcare Hamilton and associate professor in the Department of Psychiatry and Behavioural Neurosciences at McMaster University, both in Ontario, Canada.

Discrimination against the Mentally Ill
MONICA A. JOSEPH

How have individuals with mental illness been treated historically and what are their experiences today? This book investigates the historical and contemporary forms of discrimination faced by those with mental illness.

FEATURES
• Provides a valuable resource for researching the hot topic of discrimination and injustice against a group of individuals—one that is often overlooked by society as well as by reference books
• Supplies annotated primary sources that will serve to improve readers’ research and critical reasoning skills

MONICA A. JOSEPH, PhD, is adjunct lecturer at Columbia School of Social Work, New York, NY, and assistant professor in the Behavioral Sciences and Human Services Department at Kingsborough Community College of the City University of New York, Brooklyn, NY.

Cutting and Self-Harm
CHRIS SIMPSON

What is self-harm and what causes it? Learn the terms and concepts related to this type of behavior.

FEATURES
• Provides an in-depth history of self-harm behavior that provides a relatable perspective for the reader
• Offers realistic and common case samples that promote better understanding
• Explains how anyone concerned about a self-injurious loved one can best confront the behavior and offers tips on how to provide support
• Devotes significant attention to controversial areas such as the prevalence of self-injury in school settings, addresses the use of psychopharmacology in treating the behavior, and gives an overview of effective techniques for treatment

CHRIS SIMPSON, PhD, is associate professor of counseling at Texas A&M University–Commerce.

Suicide and Mental Health
RUDY NYDEGGER

"With an informative, comprehensive narrative, the book can serve as an excellent resource on suicide and suicide prevention for students and health care providers as well as patients and their families. Recommended."
—Choice, July 1, 2015

Delving into a topic of perennial interest and concern, particularly among teenagers, this important volume addresses the full range of issues related to suicide and suggests ways to help those who struggle.

RUDY NYDEGGER, PhD, is professor of management and psychology at the School of Management at Union Graduate College and in the Department of Psychology at Union College, Schenectady, NY.

Many readers, especially teenagers and young adults, come to the psychology section of a library looking to find answers to questions they have about why they—or someone they know—is feeling or acting a certain way. They don’t care much about abstract, academic theories; they want to learn about real-world examples and applications that are relevant to them.

Each volume in The Psychology of Everyday Life examines the psychology behind a particular facet of everyday life—from exercising to eating, from relaxing to socializing with friends. Through an accessible format and easy-to-understand language, these books explore the who, what, where, when, why, and how of the psychology of these everyday contexts and examine key issues and debates related to them.

Working Out
The Psychology of Sport and Exercise
JUSTINE J. REEL

Written by a leading expert in the field of sport science, this motivational text provides a thorough overview of fitness and exercise psychology as it relates to everyday life.

Features
• Illustrates sport and exercise psychology’s growth across the globe through fascinating historical perspectives

Chilling Out
The Psychology of Relaxation
CHRISTINE L. B. SELBY

This appealing, accessible reference volume enables readers to easily understand what creates and constitutes stress—an unavoidable part of modern life—and learn about the psychology behind relaxation.

NEW
Hooking Up
The Psychology of Sex and Dating
KATHERINE M. HELM

This book is an engaging and comprehensive resource for high school and college students on modern topics in human sexuality, covering subjects such as gender roles and dating to sexual orientation and sex itself.

JUSTINE J. REEL, PhD, is associate dean of research and innovation and professor at the University of North Carolina Wilmington.

CHRISTINE L. B. SELBY, PhD, is associate professor of psychology at Husson University and serves as a licensed psychologist, sport psychologist, and eating disorder specialist in private practice.

KATHERINE M. HELM, PhD, is a licensed psychologist as well as professor of psychology and director of graduate programs in psychology at Lewis University.

American Poets and Poetry

From the Colonial Era to the Present

2 VOLUMES | JEFFREY GRAY, MARY MCALEER BALKUN, AND JAMES MCCORKLE, EDITORS

The ethnically diverse scope, broad chronological coverage, and mix of biographical, critical, historical, political, and cultural entries make this the most useful and exciting poetry reference of its kind for students today.

JEFFREY GRAY, PhD, is professor of English at Seton Hall University, South Orange, NJ.
MARY MCALEER BALKUN, PhD, is professor of English and chairperson of the English department at Seton Hall University, South Orange, NJ.
JAMES MCCORKLE, PhD, teaches in the Africana Studies Program at Hobart and William Smith Colleges in Geneva, NY.

Ethnic American Literature

An Encyclopedia for Students

EMMANUEL S. NELSON, EDITOR

“This single-volume encyclopedia provides an introduction to unique and specific topics that may not have as extensive coverage in other works.”

—Reference Reviews, June 9, 2015

Unlike any other book of its kind, this volume celebrates published works from a broad range of American ethnic groups not often featured in the typical canon of literature.

FEATURES

• Highlights the most important print and electronic resources on multicultural literature through a detailed bibliography

EMMANUEL S. NELSON is professor of English at the State University of New York campus at Cortland.

Literature and Politics Today

The Political Nature of Modern Fiction, Poetry, and Drama

M. KEITH BOOKER, EDITOR

Focusing on the intersection of literature and politics since the beginning of the 20th century, this book examines authors, historical figures, major literary and political works, national literatures, and literary movements to reveal the intrinsic links between literature and history.

M. KEITH BOOKER is professor of English and director of the Comparative Literature and Cultural Studies program at the University of Arkansas.

All Things Dickinson

An Encyclopedia of Emily Dickinson’s World

2 VOLUMES | WENDY MARTIN, EDITOR

“[It] enriches readers’ knowledge of the poet and of American history. Recommended.”

—Choice, December 1, 2014

An exciting new reference work that illuminates the beliefs, customs, events, material culture, and institutions that made up Emily Dickinson’s world, giving users a glance at both Dickinson’s life and times and the social history of America in the 19th century.

WENDY MARTIN is professor of American literature and American studies and the director of the Tufts Poetry Awards Program at Claremont Graduate University (CGU).
How to Write and Publish a Scientific Paper

Eighth Edition | BARBARA GASTEL AND ROBERT A. DAY

Writing and publishing journal articles are essential aspects of a successful scientific career. Unfortunately, many scientists find the process of communicating about their work intimidating and confusing. Now in its eighth edition, How to Write and Publish a Scientific Paper teaches how to apply clear focus, good organization, and simple, straightforward language to write papers as well as communicate effectively in many other scientifically related applications.

FEATURES

• Provides practical, easy-to-read, and immediately applicable guidance on preparing each part of a scientific paper: from the title and abstract, through each section of the main text, to the acknowledgments and references
• Explains step by step how to decide to which journal to submit a paper, what happens to a paper after submission, and how to work effectively with a journal throughout the publication process

Scientific English

A Guide for Scientists and Other Professionals

Third Edition | ROBERT A. DAY AND NANCY SAKADUSKI

English is often regarded as one of the most difficult languages to master. Yet while the English language has a vocabulary of upwards of 500,000 words, it only uses nine parts of speech, and all of these words fall into one (or more) of those nine categories. Scientific English: A Guide for Scientists and Other Professionals, Third Edition contains many simple revelations like this that make effective scientific writing in English easy, even for those whose fluency is in another language.

FEATURES

• Provides essential and invaluable information for anyone doing any kind of scientific writing, regardless of topic
• Presents potentially dry information in an understandable and entertaining way, making it enjoyable to read and perfect as a textbook
• Provides insights that are especially useful for scientists whose primary language is not English while also containing helpful information for native speakers

Climate Change
Examining the Facts

DANIEL BEDFORD AND JOHN COOK

Is public understanding of global warming suffering from politically biased news coverage? Is it true that the global scientific community has not reached a consensus on whether humans are causing climate change? This important book addresses these questions and many more about global warming, identifying common claims about climate change and using quantifiable, evidence-based information to examine their veracity.

The authors of this work examine 35 specific claims that have been made about global climate change by believers and skeptics. These assertions—some true, some false—will guide readers to a much deeper understanding of the extent of climate change; whether any climate change that is taking place is human-caused; whether climate change is likely to be a serious problem in the future; whether scientists agree on the fundamentals of climate change; and whether climate change impacts can be mitigated.

FEATURES
• Provides a broad overview of the subject of climate change that is specifically written to be accessible and interesting for senior high school or introductory college-level audiences

Water Rights and the Environment in the United States
A Documentary and Reference Guide

JOHN R. BURCH JR.

Three factors influence the development of water policy and politics in the United States: the availability of water, the manner in which people use the commodity to its maximum economic benefit, and governmental control. This book is a one-stop resource for understanding the scope of water issues in America, from governing doctrine and legislation, to Native American water rights, to water protection and pollution, and to the mitigation of natural and manmade disasters.

Distinguished author and noted scholar John R. Burch Jr. reviews the conflicts among state, federal, and international agencies in dealing with water supply and points to competing legal rulings and laws as undermining the creation of a cohesive policy for all. Through an analysis of key documents, Burch examines the recent calamities befalling the American water system—including droughts, oil spills, and natural disasters—and considers the future of water distribution to the American people. Organized into six parts, sections include doctrines and rights, waters of the West, border regions water management and flood control, environmental issues, and water supply and safety.

FEATURES
• Addresses recent events including the handling of Hurricane Katrina and the BP oil spill in the Gulf
Dinosaurs by the Decades
A Chronology of the Dinosaur in Science and Popular Culture
RANDY MOORE

Providing an appealing chronology of “all things dinosaur,” this book covers these ancient creatures’ roles and surprising importance in science, religion, and society at large.

FEATURES
- Depicts the history, breadth, depth, and diversity of how humans have learned about, argued over, and made use of dinosaurs—a resource appropriate for public, school, or academic libraries
- Examines the events of the earliest discoveries of fossilized remains of dinosaurs and how those discoveries often became interwoven with religious ideas
- Includes photographs, a glossary, an appendix of geological time, and a detailed, cross-referenced index to assist researchers and general readers

RANDY MOORE is Morse-Alumni Distinguished Teaching Professor of biology at the University of Minnesota.

Encyclopedia of Invasive Species
From Africanized Honey Bees to Zebra Mussels
2 VOLUMES | SUSAN L. WOODWARD AND JOYCE A. QUINN

“The proliferation of invasive species makes this timely set an important reference source.”
—Library Journal, January 1, 2012

This two-volume set provides a one-stop resource on invasive plants, animals, fungi, and microorganisms that are threatening native ecosystems, agriculture, economies, and human health in the United States.

FEATURES
- Conveniently compiles and summarizes information from various sources on all types of invasive organisms in the United States in a single work

SUSAN L. WOODWARD is professor emerita of geography in the School of Environmental and Physical Sciences, Radford University, VA, where she previously taught courses in biogeography and human ecology.

JOYCE A. QUINN is professor emerita of geography, retired from California State University, Fresno, CA, where she taught a number of courses in physical geography and cartography.

Disasters and Tragic Events
An Encyclopedia of Catastrophes in American History
2 VOLUMES
MITCHELL NEWTON-MATZA, EDITOR

“This well-written, well-researched, and thorough resource is an excellent introduction to its topic. Recommended.”
—Choice, September 1, 2014

From the Salem Witch Trials of 1692 to the Sandy Hook school massacre of 2012, this two-volume encyclopedia surveys tragic events—natural and man-made, famous and forgotten—that helped shape American history.

FEATURES
- Covers a wide range of topics, from the infamous to the obscure
- Places each event in context, giving it deeper meaning and showing its impact

MITCHELL NEWTON-MATZA, PhD, is instructor of history at Northern Virginia Community College, Alexandria Campus. His previous book with ABC-CLIO is Jazz Age: People and Perspectives.
How do you present the right balance of logic, emotion, and relationship-awareness to make a persuasive proposal? What is THE most important thing to do before submitting a proposal to increase your odds for funding success? What portion of the proposal must be stressed even when it has a low point value assigned to it in the reviewer’s evaluation form? How can a site visit make or break the fate of a meticulously prepared application? Models of Proposal Planning & Writing: Second Edition answers all these critical questions and more for grantseekers.

FEATURES

- Provides a detailed discussion of pre-proposal contacts that identifies the questions that help to qualify potential funding sources and enable readers to fine-tune proposals so they more closely match sponsors’ logical and psychological needs, priorities, and “hot buttons”
- Supplies comprehensive analyses of the key features that made successful proposals persuasive, including verbatim reviewer comments and sponsor grant award notification letters

Personal Finance
An Encyclopedia of Modern Money Management
BARBARA FRIEDBERG, EDITOR

The ideal roadmap to 21st-century financial literacy, this layman’s encyclopedia discusses ideas, concepts, events, and people that inform money management and personal finance. It explains the intricacies of things like investing, saving, debt, credit, and mortgages, and it drills down into complexities like the difference between 401(k) and 403(b) retirement plans. Entries invite the reader to explore common financial topics, such as seeking credit counseling, using credit cards, buying a home, and choosing insurance. Issues such as identity theft, derivatives, and taxes are explored as well.

FEATURES

- Supplies accessible, comprehensive financial information that explains complex topics in simple language
- Shows the relationship between personal finance and everyday life, from renting an apartment to saving for retirement
- Answers a wide variety of personal finance questions
Social media shapes the ways in which we communicate, think about friends, and hear about news and current events. It also affects how users think of themselves, their communities, and their place in the world. This book examines the tremendous impact of social media on daily life.

**Features**
- Provides an insightful perspective on the past and future that demonstrates how the technologies of communication serve to create the nexus of social interaction
- Examines the fundamental need and desire of humanity to communicate, which in turn determines what we think of ourselves, how we see the world, and how we make meaning

**JARICE HANSON**, PhD, is professor in the Department of Communication at the University of Massachusetts, Amherst.
American Economic History
A Dictionary and Chronology
JAMES S. OLSON
AND ABRAHAM O. MENDOZA
Covering figures, events, policies, and organizations, this comprehensive reference tool enhances readers’ appreciation of the role economics has played in U.S. history since 1776.

Deciphering Economics
Timely Topics Explained
DAVID E. O’CONNOR
“This compact yet comprehensive guide fills a niche by providing a general introduction to the study of economics . . . Recommended.”
—Choice, November 6, 2014
This compact yet comprehensive guide provides a wealth of information that is timely, easy to understand, and relevant to the academic and civic lives of students, teachers, researchers, and the general public.

Environmental and Natural Resource Economics
An Encyclopedia
TIMOTHY C. HAAB
AND JOHN C. WHITEHEAD, EDITORS
 “[T]his title should serve as an important reference for students, researchers, policy makers, and interested individuals. Recommended.”
—Choice, October 1, 2014
Accessible to students and practitioners without an advanced degree in environmental economics, this essential reference work pinpoints the role of the economy in both creating and solving many of the world’s most pressing environmental challenges.

Government and the Economy
An Encyclopedia
DAVID A. DIETERLE AND KATHLEEN C. SIMMONS, EDITORS
 “[A] reference that will find frequent use on the shelves of high school, college, and government and social-science libraries.”
—Booklist, February 1, 2015
In this non-biased, politically neutral compendium, the authors trace the evolution of the U.S. government’s role in the economy, including the history, ideas, key players, and court rulings that influenced its involvement.

JAMES S. OLSON is Distinguished Professor of History at Sam Houston State University, Huntsville, TX.
ABRAHAM O. MENDOZA is a scholar with expertise in modern European history, modern German history, U.S. history, Holocaust and comparative genocide studies, world history, and war studies.

DAVID E. O’CONNOR is adjunct professor of economics at the University of Connecticut and an economics teacher at the Edwin O. Smith High School in Storrs, CT.

TIMOTHY C. HAAB, PhD, is professor of agricultural, environmental, and development economics at The Ohio State University.
JOHN C. WHITEHEAD, PhD, is professor of economics at Appalachian State University, Boone, NC.

**Features**

- Provides detailed biographical information that benefits and appeals to a wide audience
- Includes not only praise for Jobs but criticism to offer a balanced portrait

**Bill Gates**

*A Biography*

MICHAEL B. BECRAFT

August 2014, 200pp, 6 1/8x9 1/4
Print: 978-1-4408-3013-6
$37.00, £24.00, €29.00
eBook: 978-1-4408-3014-3

“[A] a concise, fairly thorough, and well-written biography.”

—*ARBA*, November 12, 2014

The cofounder of Microsoft, Bill Gates helped transform society by ushering in the era of ubiquitous personal computing. This book examines the life and achievements of this standout American inventor and philanthropist.

**Walt Disney**

*A Biography*

LOUISE KRASNIEWICZ

July 2010, 155pp, 6 1/8x9 1/4
Print: 978-0-313-35830-2
$39.00, £25.00, €31.00
eBook: 978-0-313-35831-9

This insightful biography takes a balanced and thoughtful look at the creative and enigmatic man who has had a greater influence on American culture than almost any other individual: Walt Disney.

**Features**

- Covers Walt Disney’s life from his birth in 1901 to his death in 1966 and shows his relationship to all the major events of the first half of the 20th century, including two World Wars, the Great Depression, and the Cold War

**Features**

- Coverage from birth to death or the present day
- Timeline highlighting significant biographical events and career contributions
- Portfolio of photographs depicting the subject at different stages of life
- Bibliography of print and electronic resources recommended for further study

MICHAEL B. BECRAFT, DMgt, is the former Edward F. Lyle Professor of Finance and director of Graduate Business Programs at Park University in Kansas City, MO.

LOUISE KRASNIEWICZ, PhD, is an anthropologist at the University of Pennsylvania, Philadelphia, PA.
This biography profiles Jon Stewart, television’s most incisive deliverer of the fake news. As the host of The Daily Show with Jon Stewart, he has attracted a vast audience that sees him as one of the few credible sources of cultural critique TV.

MICHAEL BLITZ is professor of English and chair of interdisciplinary studies at John Jay College of Criminal Justice of the City University of New York. He is coauthor of Arnold Schwarzenegger: A Biography and Johnny Depp: A Biography.

This fresh biography unearths previously unpublished nuances about Malcolm X’s life.

A.B. ASSENSOH, PhD, is professor in the Department of African American and African Diaspora Studies at Indiana University, Bloomington, IN.

YVETTE M. ALEX-ASSENSOH, PhD, is dean of women’s affairs and professor of political science at Indiana University, Bloomington, IN.

Clint Eastwood—actor, director, composer, musician, and politician—is undeniably one of the most prolific and accomplished celebrities of the modern age. This book provides insights into Eastwood’s life and entire career, from early television appearances to recent award-winning films.

SARA ANSON VAUX, PhD, is lecturer in the Department of Religious Studies and director of the Office of Fellowships at Northwestern University.

Bob Dylan transcends music. He has established himself as one of the most important figures in entertainment history. This biography examines the life and work of the iconic artist, including his groundbreaking achievements of the last two decades.

BOB BATCHELOR, PhD, is James Pedas Professor of Communication and executive director of the James Pedas Communication Center at Thiel College, and director of marketing and media for The John Updike Childhood Home Museum in Reading, PA.
It’s a new idea. School Library Connection (SLC) and reVIEWS+ online give you and our colleagues a next-gen suite of thought leadership, professional learning workshops on video, and resources that will help you manage your school library today and plan strategically for the years ahead.

Think about your career, your library’s future, and your students’ needs for the services only a library can deliver.

Please email Accounts Receivable at rarequest@abc-clio.com within 30 days for return authorization if you are not completely satisfied. Returns without prior approval will not be accepted. Once approved, returns must be received in saleable condition for full credit or refund. Allow 8-10 weeks for processing.

Claims regarding shortages, or damaged or defective materials must be made within 30 days of receipt. Non-receipt of an order must be reported within 120 days of the invoice date. For more information, call Accounts Receivable at 800-368-6868, ext. 107.

Accepted returns will be credited to your account. Requests for refunds must be made in writing and will be granted only if no account balance is due.

SHIPPING INFORMATION:
U.S. orders please add 9% (with a minimum charge of $6.00), Canadian orders please add 10% (with a minimum charge of $12.00) of the net invoice total for shipping and handling. Unless otherwise noted, we ship UPS Ground.

NOTE: UPS will not deliver to P.O. boxes; a valid street address is required. Overnight or special shipping requests are additional. Call Customer Service for actual shipping charges.

SALES TAX:
U.S. residents add applicable state sales tax; Canadian residents add 5% GST or 8% HST. Please provide tax-exempt number or certificate if your institution is tax-exempt.

PUB DATES AND PRICING:
Publishing dates and prices are subject to change without notice. Please go to abc-clio.com for current information.

CUSTOMERS OUTSIDE U.S. AND CANADA:
For more information on pricing and ordering, locate your region’s sales contact information here: abc-clio.com/international
