

THE AFRICAN AMERICAN EXPERIENCE

THE AMERICAN MOSAIC

The African American Experience offers an unparalleled platform for scholarship in African American and cultural studies. Expertly curated primary and secondary sources illustrate diverse threads of African American social, political, and cultural history.

CONTENT HIGHLIGHTS

- More than 8,000 articles, biographies, primary source documents, and media entries lend voice and context to the lived experiences of African Americans
- Ebook collection featuring titles from ABC-CLIO and Praeger's award-winning imprints for academic reference and research
- Scholarly commentary addressing African American contributions in the fields of politics, business, social and applied sciences, arts and entertainment, and more
- Ongoing coverage of contemporary issues including racial profiling, police misconduct, economic inequality, and political representation

FEATURES

- Designed for accessibility and differentiation with translation, text-to-speech, and audiovisual resources
- Embedded search, save, and citation tools for effective student research
- Demographic tool allowing for the tracking and comparison of state-level data on population, education, income, voting trends, health indicators, and more
