

Definition of Terms in Royalty Statements

Payee ID: A unique identification number for each author, found at the top of the Royalty Statement Report and used by the ABC-CLIO royalty team to quickly reference a royalty recipient's information:

Payee **322231** BRIDGESJC

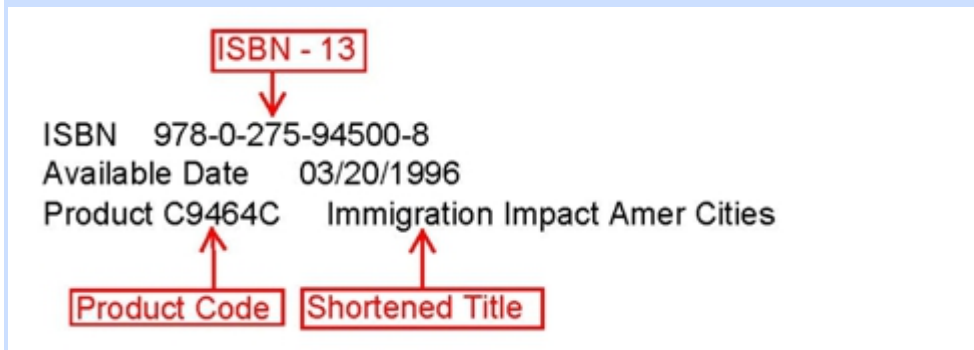

ABC-CLIO
130 Cremona Dr Ste C
Santa Barbara CA 93117

Contract Number: Unique identification number for a single contract.

Opening Balance and Residual Amount: You can ignore these as no \$ appear.

Balance Forward from Prior Statement: This represents a balance from a prior royalty period that was under the minimum check dollar amount threshold.

Product Code, Shortened Product Title, & ISBN-13:

Advances, Miscellaneous Charges, & Sub Rights: Lists all other deductions, (such as advances) indicating dates issued, dollar amount, prior statement's earnings, prior balance, new balance, and the dollar amount earned on the current statement. Also lists other earnings accrued through one of the following various channels.

- Advance Correction – Correcting any errant advance amounts.
- Content Licensing – The reuse of content in print formats.
- Database Royalties – Use of content in ABC-CLIO's database solutions products.
- EBook Subrights – Reuse of content in eBook products and packages.
- Prior Period Adjustments – Correcting any errors from prior royalty periods.
- Returned Advance – Credit for any returned advance.
- Subrights Print – Earnings from print subrights.

Royalty Calculations: This section gives a summary of all earnings broken out by Sales Channels and royalty rate.

Royalty Calculations Based on Sales and Returns

Category	Sales/Rets Units	Sales/Rets Dollars	Method	Rate	Split %	Royalty Due
Foreign Sales	3	102.96	N	7.000000	100.0000	7.21
Foreign Sales	5	119.60	N	7.000000	100.0000	8.37
Domestic Sales	51	1425.96	N	8.000000	100.0000	114.08
Domestic Sales	149	4374.14	N	8.000000	100.0000	350.03
Domestic Sales	-10	-293.41	N	8.000000	100.0000	-23.49

Total Due -293.80

Total Due: Totals all earnings and deductions on the entire statement. If this amount is above the minimum payment amount, then this total will match the accompanying check.
