

THE ASIAN AMERICAN EXPERIENCE

THE AMERICAN MOSAIC

The first learning resource of its kind, *The Asian American Experience* offers dedicated coverage of the social, political, and economic forces that have shaped the experiences of Asian Americans through history and into the 21st century.

CONTENT HIGHLIGHTS

- Comprehensive coverage of time periods and events, from early European trading contacts with Asia to 20th century immigration and the development of modern Asian American communities
- More than 2,000 primary sources including images, audio clips, documents, and video, covering multiple dimensions of Asian American history and culture
- Inclusive coverage of diverse ethnic and cultural groups, including Native Hawaiians and other Pacific Islander and Indigenous groups
- eBooks – featuring titles from ABC-CLIO and Praeger’s award-winning imprints for academic reference and research

FEATURES

- Designed for accessibility and differentiation with translation, text-to-speech, and audiovisual resources
- Embedded search, save, and citation tools for effective student research
- Academic Roundtables – original scholarly contributions from leading academics across the social sciences, support students in developing and articulating their arguments
