

# SCHOOL DATABASES

Bloomsbury/ABC-CLIO's digital resources offer all-in-one solutions for social studies curriculum and independent student research. Covering 17 topics from American History to World Geography and vividly illustrated with a library of over 50,000 primary sources, our databases promote mastery of core learning objectives while providing a flexible platform for deeper research and learning.

## Highlights Include:

- **Student activities** combining key historical questions, curated primary and secondary sources, and scaffolding materials
- **Academic skill-building modules** supporting students' core academic development in reading, writing, researching, and working with primary sources
- **Features for accessibility and differentiated learning**, including translation, text-to-speech, and audiovisual resources
- **Embedded search, save, and citation tools** for effective student research
